

DR. BOUCHELLE

Dr. L. B. Bouchelle of Thomasville, Ga., a physician well known in the South, is very enthusiastic over the cod liver oil preparation Vinol. He says: "I have used Vinol in my family and in my general practice with the most satisfactory results. It is exceedingly beneficial to those afflicted with bronchial or pulmonary diseases and to create strength."

The reason Vinol is so far superior to old fashioned cod liver oil and emulsions, is because it is a real cod liver preparation from which all the useless cholesterol eliminated and tonic iron added.

We ask every weak, thin, run-down, nervous and aged person in town, and all those suffering from chronic colds, coughs and weak lungs, to try Vinol on our guarantee.

The ladies who are in the habit of sending away, even to near by towns, for dress goods and other merchandise, give as their reason that they can't find what they want in the stores here. Mr. Adler says this excuse is no more good now as the ladies can find what they want at Adler's.

Party At Roper.

A delightful sugar stew was given at the home of Miss Clara Johnston last Friday night. Each guest took a pound of sugar, and the girls and boys pulled sugar and enjoyed themselves immensely.

Those present were Messrs Nathan McAllister, Edward Blount, Thomas Spruill, James Herrington, Dolphina Peacock, James Leary, Henry Knowles, and Misses Ethel and Esther Kessinger, Hattie Peacock, Gladys Mitchell, Isabella McAllister, Carrie, Ida and Millie Spruill.

Everybody departed at 10 o'clock and went home with "sugar candy," hoping to be at Mrs. Johnston's again real soon, and all vote her hearty thanks for a pleasant time.

Birth-day Party at Creswell.

The home of Mr. and Mrs. T. S. Swain, on Main Street, was the scene of a most brilliant event on Tuesday evening, Feb. 25th, the occasion being the celebration of the twelfth birth-day of their daughter, little Miss Elsie.

At 7:30 the little folks of the town began to arrive. From every window gleamed a light of welcome. By 8 o'clock the parlor was filled with gay young people who called to wish little Elsie many happy returns and she was assisted in receiving by her charming sister, Miss Blanche, and her friends, Misses Mary Alexander and Ida A. Thompson, and they bid each one a hearty welcome.

The color scheme for the occasion was red and green, the decorations were formed of ferns and draperies. Music and various games held the little folks until ten o'clock when they were invited into the dining-room where they were tempted with fruits, candies, etc.

By the numerous presents that she received we agree that little Miss Elsie is quite popular.

At 10:40 the little guests began to depart for their respective homes having extended thanks to their young hostess for a most delightful evening.

Graded School Amateurs.

On Friday night last a full house greeted the amateur theatrical performers of the Graded School at the Opera House, where the children, under the management of their teachers, produced "Our Aunt from California," and "Ivo of a Kind," two entertaining comedies, together with high class specialties, which gave the large audience a program that they fully appreciated.

The children all played their parts well and reflected much credit on their teachers.

On Tuesday evening the players and teachers went to Roper where the program, with slight changes, was reproduced before a fairly large and appreciative audience.

Prof. Everett, his teachers and the children are enthusiastic in their praise of the good people of Roper who entertained the entire party and did so much toward making their visit pleasant and the play a financial success.

Good For Everybody.

Mr. Norman R. Conter, a prominent architect, in the Delbert Building, San Francisco, says: "I fully endorse all that has been said of Electric Bitters as a tonic medicine. It is good for everybody. It corrects stomach, liver and kidney disorders in a prompt and efficient manner and builds up the system." Electric Bitters is the best spring medicine ever sold over a druggist's counter; as a blood purifier it is unequalled. 50c at Spruill & Bro.
