Good For Everybody.
Mr. Norman R. Coulter, a prominent architect, in the Delbert Building, San Francisco, says: "I fully endorse all that has been said of Electric Bitters as a tonic medicine. It is good for everybody. It corrects stomach, liver and kidney disorders in a prompt and efficient manner and builds up the system." Electric Bitters is the best spring medicine ever sold over a druggist's counter; as a blood purifier it is unequalled. 50c. at Spruill & Bro.

Rhode Island Reds.

I have only a few Rhode Island Red Cocks left. Those desiring to improve their flock will do well to get their order in as soon as possible.
To those who are not familiar with this breed of fowls I would say that they are rated as one of the best all-purpose fowls. They are of medium size, females weighing from 5 to 7 and males from 6 to 9 pounds each. They are good layers, especially in winter. The chicks are very hardy and quick growers.
I can also furnish eggs for hatching in season from select stock at fair prices.
