MOTHERS READ THIS

DAUGHTER OF C. W. STUMP

Mrs. C. W. Stump of Canton, Ohio, writes: "I wish I could induce every mother who has a weak, sickly child to try that delicious cod liver preparation, Vinol. Our little daughter was pale, thin and sickly.

"We tried various medicines, but without any benefit whatever, and she could not take cod liver oil or emulsions, as they nauseated her and upset her stomach.

"Learning that Vinol contains all the medicinal and strength-giving properties of cod liver oil, but without the disagreeable oil, we decided to try it, and the results were marvelous, so quickly was she restored to health and strength.

"We have never sold a medicine equal to Vinol for delicate children.

All our Brothers appreciate your trade, and yesterday and today they are trying to give the public an idea of what they have to sell. Just a visit to their store is sufficient to convince you that they are hustlers, and the fact that they advertise what they have is evidence that they want your trade and will appreciate it.

Yesterday and today are Opening Days at Mrs. W. B. Ward's Millinery Store, and the ladies are taking advantage of this opportunity to view the styles. We do not know much about styles, but we do know that Mrs. Ward's store is a place of beauty today, and all those flowers, bonnets, hats, ribbons, laces and a thousand other articles that go to make up a woman's hat, the name of which we would not attempt to guess at, are all style because Miss Seizer says so, and she knows.

Have you been down to hear the Edison and Victor Talking Machines at Mr. O. R. Leggett? Mr. Leggett is agent for the above machines at the Columbia, which he invites the public to hear. He has quite a number of records which consist of the latest music to 28 ft.

To have perfect health we must have perfect digestion, and it is very important not to permit of any delay of the moment the stomach feels out of order, take something at once that you know will promptly and unfatiguingly assist digestion. There is nothing better than Kodol for dyspepsia, indigestion, sour stomach, b'ching of gas and nervous headache. Kodol is a natural digestant, and will digest what you eat. Sold by P. E. Davenport.

To the Farmers of Washington County.

To emphasize the importance of improving the seed, and method of culture of corn in this county, I have deposited ten dollars in gold with The Bank of Roper, to be awarded next winter by the persons holding a Farmer's Institute in this county under the auspices of the North Carolina Experiment Station, to the farmer exhibiting at such Farmer's Institute the best ten ears of corn grown in the county by the person making the exhibit. Provided the exhibit has merit. "Let us have more corn and better corn."

Death Was On His Heels.

Jesse P. Morris, of Skippers, Va., had a close call in the spring of 1906. He says: "An attack of pneumonia left me so weak and with such a fearful cough that my friends declared consumption had me, and death was on my heels. Then I was persuaded to try Dr. King's New Discovery. It helped me immediately, and after taking two and a half bottles I was a well man again. I found out that New Discovery is the best remedy for coughs and lung disease in all the world." Sold under guarantee at Spruill & Bro., 50c and \$1.00. Trial bottle free.

Died Suddenly.

Our people were greatly shocked to learn on yesterday morning that Mrs. A. J. Newberry was dead, she having died very suddenly on Wednesday night at her home, at Westover, five miles from Plymouth.

Mrs. Newberry was the youngest daughter of the late J. M. Reid, one of the most prominent farmers of this section. She was married only about two months ago to Mr. A. J. Newberry, of this town.

Our deepest sympathies, with that of our entire community, are extended to the bereaved husband and family.

Evangelist Taubman is a speaker of national reputation, versatile, fluent and forceful. Come and hear him. Meeting may close next Sunday.
