

Weak Lungs

NEED VINOL

its cod liver oil elements heal and strengthen the lungs

Many people inherit weak lungs which are likely to be attacked by consumption. So also are lungs weakened by disease or by a stubborn hacking cough.

Vinol, which is a real cod liver preparation with all the useless oil eliminated and tonic iron added, strengthens weak lungs and gives one the power to throw off wasting diseases.

We ask every person suffering from weak lungs, stubborn hacking coughs or any wasting disease to try Vinol on our guarantee.

P. E. Davenport, Druggist.

KILL THE COUGH AND CURE THE LUNGS

WITH Dr. King's New Discovery FOR COUGHS AND ALL THROAT AND LUNG TROUBLES. GUARANTEED SATISFACTORY OR MONEY REFUNDED. Sold by Spruill & Bro.

BEACON FLASHES.

Those who have friends visiting them, or who intend leaving home themselves, will please let it be known at this office, so the fact may be mentioned. It does not matter whether you are a subscriber or not. All we ask is—let us know it.

"Talk it up."

"Have you seen 'Aimee'?"

Our town has been full of folks this week.

The new mercantile firm, Latham-Owens Co., opened up on Friday last.

Jno. R. Smith's Shows are here, they came in Monday and took charge of the town.

DeWitt's Little Early Risers, the famous little liver pills, are sold by P. E. Davenport.

Ask W. Fletcher Ausbon, The Insurance Man, about that Health and Accident policy he sells.

Mr. W. B. Ward showed us a ripe tomato on Tuesday which he gathered from his garden. Pretty early friend Burton.

Mess. Burton Ward and F. R. Johnston have purchased the Hornthal bankrupt stock and are closing it out at a low price.

Big cuts or little cuts, small scratches or bruises or big ones are healed quickly by DeWitt's Witch Hazel Salve. It is especially good for piles. Sold by P. E. Davenport.

Our colored people are advertising an excursion to Newbern on June 15th, to return on the 18th. A special car will be provided for white people.

Don't wait until your property is burned and then say "I ought to have insured," it is too late then, see W. Fletcher Ausbon, The Insurance Man, now and get a policy.

Dr. W. H. Ward took Mrs. Wilson Ambros to the Washington hospital on Wednesday where she goes for special treatment and we hope she may soon return fully restored to health.

DeWitt's Kidney and Bladder Pills are prompt and thorough and will in a very short time strengthen the weakened kidneys and allay troubles arising from inflammation of the bladder. They are recommended everywhere. Sold by P. E. Davenport.

Mrs. Bessie C. Staton, of Baltimore, has been spending a few days here as the guest of her sister, Mrs. A. L. Owens, she was accompanied by her nephew, Master John Milton Willey, of Chopotank.

Mrs. W. M. Bond, of Edenton, accompanied by her son, Mr. E. G. Bond, spent Thursday night and part of yesterday in our town as the guest of her son, our clever and popular young attorney, Mr. W. M. Bond, Jr.

The Jr. Baseball team, of Edenton, came over on Wednesday and crossed bats with the Jr. a. of our town. It was a good game but our boys were too much for the visitors from start to finish and the game closed with the score 13 to 5 in favor of the home team.

Have you been down to hear the Edison and Victor Talking Machines at Mr. O. R. Leggett's? Mr. Leggett is agent for the above machines at the Columbia which he invites the public to hear. He has quite a number of records which consist of the latest music.

Lovers of baseball will witness a series of the best games here on the 22, 23 and 24 of June, that has ever been played in Plymouth, the contesting teams being the "All Stars," of Richmond, Va., and the "Kado's," of Plymouth. These are color-d people and are ball players, sure. The game will be called at 3:30 each day special arrangements will be made for the accommodation of white people.

The Sr. Baseball team of Plymouth went to Edenton on Thursday last to play a match game with that town. The game was well played for three innings, both sides being shut out, on the 4th inning an error by the Plymouth team gave the Edentonians six runs, this inning was not finished as the game was called on account of rain. On Friday our team was scheduled for a game at Hertford, they went on to that town but were unable to play the game on account of rain. They returned home Saturday afternoon.

Kennedy's Laxative Cough Syrup is the one that children like so well to take as it tastes nearly as good as maple sugar. It is different from the others as it does not constipate, but on the other hand it acts gently yet freely on the bowels and thereby it drives the cold out of the system. It is sold by P. E. Davenport.

Fisherman's Meeting.

Having been appointed Fish Commissioner for Washington county by Gov. Glenn, Mr. W. H. Hampton called a meeting of the fishermen of the county at the Court House on Wednesday to consult together and elect two other delegates to the Fisherman's Convention this Summer. Mr. M. F. Davenport, of Creswell, was elected to represent the sound fishermen and Mr. W. H. Ward to represent the River fishermen.

These men, with Mr. Hampton, will attend the State Fisherman's Convention which will convene some time the latter part of August either at Morehead City or Beaufort, for the purpose of formulating plans, etc., in the interest of the fishing industry of the State.

Thinks It Saved His Life.

Lester M. Nelson, of Naples, Maine, says in a recent letter: "I have used Dr. King's New Discovery many years, for coughs and colds, and I think it saved my life. I have found it a reliable remedy for throat and lung complaints, and would no more be without a bottle than I would be without food." For nearly forty years New Discovery has stood at the head of throat and lung remedies. As a preventive of pneumonia, and healer of weak lungs it has no equal. Sold under guarantee by Spruill & Bro. 50c. and \$1.00. Trial bottle free.

In Police Court.

There was a little ripple yesterday morning in police court, caused by the trial of two of our young men. Mr. H. W. Brown and Mr. Ed. Ayers had a scrap at the ice house of Mr. E. K. Jackson, this did not amount to much, but shortly after the scrap was renewed at the artesian and Mr. Brown struck Mr. Ayers on the head with a brick, or some other hard substance, inflicting a painful, but not serious wound.

The above affair arose over a base ball game. Mayor Spruill acted as Umpire and rendered the following decisions:

1st Inning Ayers to bat Brown on deck; score 1 to 5 in favor of Ayers. This was scrap no. 1. Ayers fined 1c. Brown 5 dollars.

2nd Inning Brown to bat Ayers on deck; score Ayers out on first, Brown (error) referred to Judge of Superior Court as Referee, that is scrap no. 2 Ayers discharged Brown bound over to court for using (brick) but not admitted in game.

The Carnival.

Notwithstanding the Carnival was not advertised early enough to draw many from out of town, yet the attendance has been good all the week. The shows are far better than expected. The "Old Plantation" Minstrels are, if anything, better than Allen's; "Aimee," in her wonderful skirt dance, is simply bewildering; "Lunette" is just a big interrogation point from start to finish, and leaves you still guessing; The "Electric Theatre," with its superb moving pictures, is a whole show of itself; the "Thaw Trial" will be presented there to-night (Friday) and no one who can be there will miss it; the "Ferris Wheel" has captured all the little ones, and lots of big ones, too, and all the other attractions are full abreast with those named, while Eposito's Italian Band dispenses the best music for everybody.

Mr. Smith is a most courteous gentleman of refinement and executive ability, and has around him only those who are quiet, orderly and well-behaved.

The Best Pills Ever Sold.

"After doctoring 15 years for chronic indigestion, and spending over two hundred dollars, nothing has done me as much good as Dr. King's New Life Pills. I consider them the best pills ever sold," writes B. F. Ayscue, on Ingleside, N. C. Sold under guarantee at Spruill & Bro.'s. 25c.

Industrial Education at A. & M. College.

The advertisement of the North Carolina College of Agriculture and Mechanic Arts appears in another column. This College has courses of instruction in Agriculture, 94 students; Civil Engineering, 103 students; Electrical Engineering, 116 students; Mechanical Engineering, 79 students; Cotton Manufacturing, Chemistry, and Dyeing, 50 students. Besides the regular four-year courses there are short courses and special courses in Machine Work, Drawing and Designing, Carding and Spinning, Weaving, Cloth Analysis, Agriculture, and Dairying. Next session begins September 2, 1908. For catalogue, etc., address The President, West Raleigh, N. C.

THE GRACE OF STICK-TO-IT-IVENESS.

Much has been said of American aggressiveness, of the rash and strenuousness of our modern life, but it remains for us to make yet another word synonymous with our nationality. A recent writer speaking upon this subject says that there are two words frequently used in American life, but not as yet found in our dictionaries. One is "stickability;" the other, "quaintability." The first might readily have found a place in our vocabulary during the first memorable winter of the Pilgrim fathers, or again when that man of unwavering purpose, U. S. Grant, announced his determination to "fight it out on this line if it takes all summer."

The world always honors the sticker; none comes to the quitter. The one is a noble quality that enables the soul of man to hang on to the work in hand though the earth reels and the heavens fall. It gives one the courage of his own convictions. It creates enthusiasm enough to paint on the side of a desert wagon "Pike's Peak or Bust;" it gives determination sufficient to carry Martin Luther to Worms "though there were a thousand devils on the tiles of the roof tops;" it sails new seas, discovers new continents, explores unknown wilds and territories, breaks through all obstacles and never acknowledges failure.

The other nyer wins the victory, always fails in the crises of life, retreats at the first blow of the storm, is a chronic dyspeptic, constantly feeding on the bread of cowardice made from the skimmed and soured milk of irresolution, and in the end knows nought of the glory of conquest, the triumph of accomplished duty, or the power of action. Don't be a quitter; stick, and sticking—win!—Selected.

An ounce contributed to the happiness of another is a pound added to your own.

A Grand Family Medicine.

"It gives me pleasure to speak a good word for Electric Bitters," writes Mr. Frank Conlan of No. 436 Houston St., New York. "It's a grand family medicine for dyspepsia and liver complications; while for lame back and weak kidneys it cannot be too highly recommended." Electric Bitters regulate the digestive functions, purify the blood, and impart renewed vigor and vitality to the weak and debilitated of both sexes. Sold under guarantee at Spruill & Bro.'s. 50c.

ANNOUNCEMENT.

I wish to announce that I am a candidate for re-nomination for the office of County Treasurer. My record as an officer in the past speaks for itself, and if nominated and elected to this position of trust, I promise the same faithfulness in the future that I have given in the past.

Thanking my friends for their past loyalty, and asking that they attend the primaries and the convention, I am,

Respectfully, CLARENCE LATHAM.

A CARD.

I will say through the columns of this paper that I will be a candidate for re-nomination this year, and thanking my friends and constituents for the past honors and favors conferred upon me, and assuring them that I shall try to serve them with satisfaction, if elected, I ask that they nominate me again in the coming convention.

Respectfully, F. R. JOHNSTON.

A CARD.

As the time is drawing near for the Democratic County Convention, and the people are talking and thinking of candidates for the various offices, and should the convention see proper to more equally distribute the offices of the county and give our part of the county the Treasurer's office, I would be glad to have my name considered. I would like to be a candidate before the convention for Treasurer of the county. I have been a lifelong Democrat, voted a straight ticket and worked for the good of the party.

Waiting the approval of the convention, I am, Sincerely,

H. A. LITCHFIELD.

TO THE PUBLIC!

I take this method of returning my grateful thanks to the citizens of this county for the confidence and support placed in and given me during the past, and as another year has arrived when some one will be chosen for the position I have been holding for the past few years, I respectfully offer my name for your consideration. I have tried conscientiously to discharge the duties of this office acceptably to the law-abiding people of the county and only promise, if re-elected, to discharge those duties in the future as I have in the past.

Yours very truly, W. J. JACKSON.

FOR SHERIFF.

I take this method of informing the people of Washington county that I will be a candidate for the office of Sheriff, subject to the action of the Democratic county convention.

It will be remembered that eight years ago I asked for this nomination and was defeated. I met defeat and worked, then and since for the Democratic candidates.

If the choice of the people in the coming contest, I promise to discharge the duties of the office to the best of my ability. If not the choice of the people, as in the past, I am a servant of the Democratic party.

Yours respectfully, J. E. REID.

W. M. BOND, JR., ATTORNEY-AT-LAW, Plymouth, N. C.

THE NORTH CAROLINA COLLEGE OF AGRICULTURE AND MECHANIC ARTS
