If there is any one class of men who should feel under obligations to the Democratic party, it is Civil Service employees, especially R. F. D. mail carriers, no matter with what Rot their Republican friends (?) may stuff them with, for it was the Democratic party that made this service what it is, and in this district at least, it was the Democratic party, through its Congressman, that established the routes they hold, and will continue to hold, no matter under what administration.

We hear it whispered that the Republican candidates will ask for a joint debate in this county. They think they have got something to talk about along the line of "What the Democrats have done about Schools." They had better get something else, for if they go to comparing schools and education in this county with what they were under Republican rule, they will get sick quick. If there is anything the Democrats would enjoy, it will be talking about what they have done along educational lines.

Kodol will, in a very short time, enable the stomach to do the work it should do, and the work it should do is to digest all the food you eat. When the stomach can't do it Kodol does it for it and in the meantime the stomach is getting stronger and able to take up its regular natural work again. Kodol digests all you eat. It makes the stomach sweet and it is pleasant to take. It is sold here by P. E. Davenport.

How to get Strong.

P. J. Daly, of 1217 W. Congress Street, Chicago, tells of a way to become strong. He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted. Her appetite has been overcome, and she is steadily growing stronger." Electric Bitters remedy stomachic, liver and kidney complaints. Sold under guarantee. Spruill & Bro., 50c. seal-im

Died

At his home on Main street, on Thursday night of last week, Mr. Bennett Harrison, age 21 years. His remains were taken to the old home in the country on Friday afternoon where they were laid to rest in the family grave yard, Elder A. L. Harrison conducting the service. Our sympathies are with the young wife, sister and brothers of the deceased.

Many people suffer a great deal from Kidney and Bladder troubles. During the past few years much of this complaint has been made unnecessary by the use of DeWitt's Kidney and Bladder Pills. They are antiseptic and highly recommended for weak back, headache, rheumatic pains, inflammation of the bladder and all other annoyances due to weak kidneys. They are sold by P. E. Davenport. seal-im

Senatorial Convention.

The Democratic convention of the 2nd Senatorial district convened in Washington on Tuesday last. Every county in the district was represented. Hon. H. W. Stubbs, of Martin was made Chairman.

There were five candidates before the convention. As a result of the first ballot Mr. F. P. Latham, of Beaufort county and Mr. Van B. Martin, of Washington county, were declared the nominees.

A Chance for Young Ladies.

Dr. Ward, of our town, is requested to try to get several young ladies to enter a hospital to become trained nurses. Any young lady in the county who wishes to be a trained nurse can write to him, stating educational qualifications and he will forward and try to procure places for them. Salary is \$8. per month and board during the three years it takes to graduate. When they have graduated and passed the State Board of Examiners for Trained Nurses the usual fees are from \$15 to \$25 per week and expenses.

Kodol will, without doubt, make your stomach strong and will almost instantly relieve you of all the symptoms of indigestion. It will do this because it is made up of the natural digestive juices of the stomach so combined that it completely digests the food just as the stomach will do it, so you see Kodol can't fail to help you and help you promptly. It is sold here by P. E. Davenport. seal-im

Adler Bros.

The attention of our readers is directed this week to the advertisement of Adler Bros.

Mr. Abe Adler, local manager of the firm, has just returned from New York with one of the most elaborate lines of Clothing, Dry Goods, Dress Goods, Shoes, Notions, Millinery, etc., ever before brought to this town. These goods are now being opened up for the inspection of the public, and they invite you, one and all, to call, criticize and price their stock, feeling confident that you will pronounce it the most complete stock and most reasonable prices ever offered them.

In addition, these enterprising merchants have been so fortunate as to secure the services of Mrs. W. B. Ward as manager of their millinery department. Mrs. Ward has been so long identified with our people as an up-to-date milliner that she needs no word of praise from us—they all know her work and taste is par excellence.

A Paying Investment.

Mr. John White, of 38 Highland Ave., Houlton, Maine, says: "Have been troubled with a cough every winter and Spring. Last winter I tried many advertised remedies, but the cough continued until I bought a 50c. bottle of Dr. King's New Discovery, before that was half gone, the cough was all gone. This winter the same happy result has followed; a few doses once more banished the annual cough. I am now convinced that Dr. King's New Discovery is the best of all cough and lung remedies." Sold under guarantee by Mess. Spruill & Bro. 50c. and \$1.00. Trial bottle free. seal-im

N. & S., and A. C. L., Trains Collide.

As the west bound 3:35 passenger train on the Coast Line was crossing the junction one mile south of this town it was run into by the north-bound N. & S. local freight. The passenger train engine and baggage car had crossed the junction when the engine of the freight crashed into the second class car, turning it completely over and cutting the train in two, leaving the first-class car on one side, the engine and baggage on the other. Fortunately only one passenger was in the car, a colored woman, who escaped with slight bruises. No one was seriously hurt.

Just why the trains should have collided we did not learn, nor do we know which road was responsible for the accident. A heavy woods shuts off the view at this point, and the engineers could not have seen each other, and must not have heard any signals. The N. & S. train was on a long down grade with an extra heavy freight of about sixty cars.

The N. & S. south bound passenger was delayed about two hours by the wreck. A wrecking train arrived early in the night and took up the wrecked car.

When you have a cold you may be sure that it has been caused indirectly by constipation and consequently you must first of all take something to move the bowels. This is what has made Kennedy's Laxative Cough Syrup so successful and so generally demanded. It does not constipate like most of the old-fashioned cough cures, but on the other hand it gently moves the bowels and at the same time soothes the throat and always inflammation of the throat. Sold by P. E. Davenport. seal-im
