Mr. Daniel at Plymouth.
Mr. E. A. Daniel, a young, yet popular lawyer, an able speaker and a democrat of democrats, of Washington, was the guest of the Bryan and Kitchin Club of this town last Friday night and addressed the Club and the public, a large number being present, at the Court House at 8 o'clock, making a strong, able and unanswerable argument in favor of Democracy.

The speaker went back to the early history of democracy, declaring that it was born in the garden of Eden, in beautiful words he reviewed the record of that party as a party of the people, for the people and by the people. In no uncertain terms did he denounce the Republican party as the party of monopolies and trusts and combines.
He gave more than one illustration of how giant combines had been formed under the protection of the Republican party and its high tariff policy, while small industries had been crushed out of existence.
Mr. Daniel is a fine speaker, well informed in National as well as State politics, and he did much good for the cause of Democracy in our town where he will always find a hearty welcome.

Democrats are Organized.

On Friday night last a good, substantial Democratic Club was organized at Allen school house, on the Acre road. It was here that was heard the voice of that Christian farmer, Elder N. H. Harrison, pleading the cause of the party of equal rights and justice to all man-kind. Mr. W. S. Davenport and others made short talks to the Club.
On Saturday afternoon at 3 o'clock Mayor S. B. Spruill, of this town, in his able and logical way, spoke to the Club at Creswell, which he went there to organize. Not liking in eloquence or power of oratory this hero of Democracy whose voice has been heard in every campaign since the dark days of reconstruction, not only in Washington county, but throughout the State, preached the true doctrine of Democracy on this occasion, and united factions of his party as no other man could do. While Mr. Spruill differs with some on moral questions he lays aside all such, declaring that he is devoted as they may on moral questions, democrats should stand solidly united against the party which threatens the rights and liberties of the masses in favor of a few.

At the same hour in Skinnerville township, at Norman's school house, Mr. W. M. Bond, Jr., organized and addressed a Democratic Club. This talented young lawyer in flights of eloquence, held his hearers spellbound while he reasoned with them upon the importance of standing by the old Democratic ship—launched and commanded by Thos. Jefferson, that has lived through the stormy seas of time, to see one after another of its faithful captains and crews go down, until to-day the old ship is seen riding the crest of the highest wave of political popularity under command of William J. Bryan, with sails set ready to enter that haven of political rest, there to scuttle the old Republican barge and let it sink.

At the same hour the Democrats of Lee's Mills township met at Roper and organized a club which was addressed by our able young townsman, Van B. Martin, Esq., one of the next Senators from the Second district. That Van Martin preached Democracy goes without saying. Able, eloquent and forcible were his arguments in defense of the people's cause. In the hall where he met defeat as a candidate for Representative and where, in the face of defeat he swore his allegiance to the Democratic party and its nominees, it was here on Saturday he stood as the choice of his party for the Senate, and by his words and power of speech he gave evidence of the fact that the party had made no mistake in placing its banner in his keeping.

At Acre Chapel on Wednesday night last a large and enthusiastic number of Democrats met to organize a club, but after consulting together they decided to join the one at Allen School House. Mr. N. H. Harrison addressed the meeting also Mr. van B. Martin, both made very strong, practical speeches.

Thus it is that the Democracy of Washington county is organized. Now to work until the going down of the sun on Nov., 3rd. Work, so that the going down of that sun may also mean the going down of the Republican party.

How to get Strong.

P. J. Daly, of 1217 W. Congress Street, Chicago, tells of a way to become strong. He says: "My mother, who is old and very feeble, is deriving so much benefit from Electric Bitters, that I feel it my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints. Mr. E. R. Lewis has accepted a position as salesman with Mr. W. C. Thompson, one of our most progressive merchants. Mr. Lewis has had much experience in merchandising and Mr. Thompson is to be congratulated on procuring his services.
Miss Hattie Taylor arrived Saturday and took charge of the music department in the Graded School. Miss Taylor is a very efficient and successful teacher of music, and our people appreciate the fact, as is shown by the large class with which she opened this term. All the departments of the school are receiving increased attendance, which is very gratifying.
Mr. W. S. Davenport the present Cashier of the Bank of Roper, stating that his

personal affairs were pressing, for so much of his time that he had to leave them to attention, hence he has resigned. Mr. Davenport was unanimously elected Vice-President to succeed Mr. Whitehead, resigned. Mr. Davenport is the largest stock holder in the bank, and it has prospered beyond the most sanguine expectation under his energetic and wise administration.

The Gun Club made the following score: J. R. Kessinger, hit 6 missed 3; James Leary, hit 9 missed 6; C. K. F. Edwards, hit 13 missed 2; T. H. Blount, hit 4 missed 7; Edward S. Blount, hit 12 missed 3; T. H. Hassell, hit 12 missed 3; Wiley Norman, hit 11 missed 4; J. E. Blount, hit 12 missed 3; J. S. Leary, hit 6 missed 9; B. B. Spencer, hit 5 missed 10; K. R. Roper, hit 3 missed 12; L. W. Davis, hit 8 missed 7; E. L. Herrington, hit 10 missed 5.

The following gentlemen have organized an orchestra and instruments will arrive this week. As many of them are old members of bands it is needless to say that this town is soon to be enraptured by the tones of the festive horn. The membership is as follows: Prof. W. F. McClesse, M. L. Ball, C. R. F. Edwards, O. E. Pledger, J. E. C. Johnston, B. B. Spencer, T. R. Hassell, H. E. Howell, Geo. W. Waters, J. E. Rose, D. L. Peacock, L. M. Peacock, and J. E. Leary.

Mr. J. A. Sexton while "rambling" a piece of timber on the Beaufort county side of the "dismal," yesterday, stepped on a very large "Poplar-Leaf" snake. The growth was so thick that it required some little time for Mr. Sexton to ascertain just what was under his foot, but when he did so, he lost no time in finding another place to stand. His rubber boot protected him from the bite, which would probably have been fatal, as this is one of our very poisonous snakes, being more dreaded even than the beautiful, but dangerous Diamond Kettle Snake of the Southern States. It gets its local name from its fancied resemblance to a dead poplar leaf. Its common name is Copper-head, or Moccasin-Snake, (Ancistrodoncontortrix.) B.
