Property Changes Hands.

Mr. L. H. Hornthal, of Norfolk, has been here this week looking after his property interests in this section. While here he sold the old Custom House property to Mr. H. A. Blount, the purchase price being \$4,000. This is a double store building occupied by Mess. J. A. Willoughby and Burton Ward.

Brinkley-Phillips-Co.

The Brinkley-Phillips-Co., has been incorporated under the laws of North Carolina, with a capital stock of \$10,000, with headquarters at Plymouth, to conduct a dry goods, notion, shoe and clothing business. The officers of the company are: I. A. Phillips, President, W. D. Carstarphen, vice-President and P. W. Brinkley, Sect. and Tres. The new firm is composed of men ability and commercial experience, and we predict for them a great success. They have secured the corner store under Hotel Brinkley, which they propose to fit up in modern style.

the fair women were there and any one who has attended one of these church suppers at Roper, know the supper was there. With such a combination it is no wonder the men were there and spent their cash. The ladies out of town, who were present, were: Miss Canaille Chesson, of Elizabeth City, the guest of Mrs. E. L. Herrington; Miss Ursula Singleton, of Mackey's Ferry; Mrs. Irma Green, of Edenton, the guest of Mrs. B. S. Clark; Mrs. Henry T. Jackson, of Edenton, the guest of Mrs. Ellen Peacock; Miss Leah Hays, of Kansas, the guest of her aunt, Mrs. L. G. Roper; Mrs. Bertie Goodman, of Mackey's Ferry, the guest of her sister, Mrs. J. A. Sexton; Miss Hattie Taylor, of Fremont, and Miss Selie Hubbard, of Newbern, the guests of Mrs. C. K. F. Edwards; Miss Carrie Davenport with her aunt, Mrs. W. S. Davenport, of Mackey's Ferry; Miss Stella Blount and Miss Eva C. Chesson with Mrs. Thos. W. Blount.

Miss Eva Chesson left to-day to spend a month in Norfolk and Newport News.

A CHANGE IN SCENERY.

Have you noticed the wonderful changes which have taken place in the fields during the past four weeks? The wealth of green and gold has faded into dirty patches of gray and dull brown. The great luxuriant mats of peanuts have been rolled into unsightly piles of rotting leaves and stems, while the bare ground, rugged and torn, looks like some great wound. The golden corn, erstwhile wreathed in magnificent festoons of fragrant panicles, is now broken, crushed and staggering to the ground in disorder, while the once luscious cotton fields are but patches of dull brown, looking all the more cheerless and uninviting because once so beautiful. Ever and anon wide waves of screaming black birds sweep over the scene like the tattered garment of nature mourning fretted by the spiteful blasts of winter. Nothing to relieve the monotony of death everywhere. Even the chuck, chuck, of the latest motor is hushed. Brother farmer as you journey homeward from market in the afternoon look upon this scene and determine that hereafter there shall be some patches of green, some little bits of turf and, vetch, rye or wheat, sown in the stubble fields about your home in the fall. That there shall be some place where the calves, the colts, the pigs and the cows may graze during the warmer days of winter, and some flecks of green to cheer and brighten the scene about your home. When we look about and see so many cheerless, comfortless homes in the beautiful country, are we surprised to learn that so many sensitive daughters of the country lose hope and end their days in the asylum for the insane? Man must not live by bread alone. He needs cheerful scenes of abode, cheerful scenes about him to awaken his better nature and lift him to higher things. Let us work for the home beautiful.

Watched Fifteen Years.

"For fifteen years I have watched the working of Buckler's Arnica Salve; and it has never failed to cure any sore, boil, abscess or burn to which it was applied. It has saved us many a doctor bill," says A. P. Hardy, of East Wilton, Maine. 25c at Spruill & Bro.

Just For You!

As the new year approaches we know that every one of our good friends mean to renew his or her subscription. That goes without saying, doesn't it? We are glad to believe that not one of you will willingly miss the visits of THE BEACON.

So, knowing that the renewals are SURE, we are going to ask a favor. We want you to renew early. DON'T PUT IT OFF. Sit right down NOW and send your subscription. It will be credited from the time now paid for, and it won't be a bit more trouble to send it to-day than next month. Then the glad feeling you will have every time you think, "There, my BEACON is paid for for another year," will be worth a good deal to you—try it, and see. A subscription blank, which may be either copied or cut out, is printed below for your especial benefit.

This seems a little thing to ask, we know, but it means a good deal to us. By commencing NOW to renew your subscriptions for next year, you will help us wonderfully in tiding over the great rush of business which comes during December and January, and which taxes our office force to the utmost. There will be less likelihood of mistakes. We shall be able to be prompt—to serve you better; and that, above all things, is what we desire.

DON'T WAIT—PLEASE—Send the subscriptions right along. Think, "I am glad to do this for the paper which is so much to me." We know you will. We have so long worked in perfect harmony together that we haven't the fear you will fail us in this. And when forwarding your own subscriptions, don't forget to say to your neighbor, "I am sending my renewal to THE BEACON to-day—don't you want to come in, too?" We are sure you will find good words in plenty to say—we needn't suggest them to you. Again, can't you think of some one to whom the visits of "Our Paper" will be like gleams of sunshine? What would induce you to do without THE BEACON now that you know what the paper means to you? Could there be a more acceptable gift at many times the price? Just put in this friend's subscription with your own, and ask that one of our FREE TURNER'S NORTH CAROLINA ALMANACS be sent them also. You could not make a better investment.

Renew your subscription NOW; ask your neighbor to send with you; put in a subscription for some one to whom you feel the paper will prove a blessing—and the blessing will return to many-fold.

ORDER FOR RENEWAL.

GENTLEMEN:—I enclose \$1.00, for which please renew my subscription to THE BEACON for one year, to date from the time already paid for.
