As the new year approaches we know that every one of our good friends mean to renew his or her subscription. That goes without saying, doesn't it? We are glad to believe that not one of you will willingly miss the visits of THE BEACON.

So, knowing that the renewals are SURE, we are going to ask a favor. We want you to renew early. Don't put it off. Sit right down now and send your subscription. It will be credited from the time now paid for, and it won't be a bit more trouble to send it to-day than next month. Then the glad feeling you will have every time you think, "There, my BEACON is paid for for another year," will be worth a good deal to you -try it, and see. A subscription blank, which may be either copied or cut out, is printed below for your especial benefit.

This seems a little thing to ask, we know, but it means a good deal to us. By commencing NOW to renew your subscriptions for next year, you will help us wonderfully in tiding over the great rush of business which comes during December and January, and which taxes onr office force to the utmost. There will be less liklehood of mistakes. We shall be able to be prompt-to serve you better; and that, above all things, is what we desire.

DON'T WAIT-PLEASE-Send the subscriptions right along. Think, "I am glad to do this for the paper which is so much to me." We know you will. We have so long worked in perfect harmony together that we haven't the fear you will fail us in this. And when forwarding your own subscriptions, don't forget to say to your neighbor, "I am sending my renewal to THE BEAcon to-day-don't you want to come in, too?" We are sure you will find good words in plenty to say-we needn't suggest them to you, Again, can't you think of some one to whom the visits of "Our Paper" will be like gleams of sunshine? What would induce you to do without THE BEA-CON now that you know what the paper means to you? Could there be a more acceptable gift at many times the price? Just put in this friend's subscription with your own, and ask that one of our FREE TURNER'S NORTH CAROLINA ALMANACS be sent them also. You could not make a better investment.

Renew your subscription NOW; ask your neighbor to send with you; put in a subscription for some one to whom you feel the paper will prove a blessing-and the blessing will return to manyfold.

## ORDER FOR RENEWAL.

GENTLEMEN: -I enclose \$1.00, for which please renew my subscription to THE BEACON for one year, to date from the time already paid for.
