PRIMARY ELECTION TO BE HELD

Senator Percy's Suggestion That His Election Be Repudiated or Endorsed, Adopted by Legislature—Will be Held in November.

Jackson, Miss., Special.—After endorsing the suggestion of United States Senator Leroy Percy that a primary election be called in effect to serve as an endorsement or repudiation to the people of his election to Congress, the Mississippi Legislature adjourned sine die Saturday after probably the most sensational legislative session in the history of the State.

The resolution as to the primary adopted by the Legislature instructs the State Democratic executive committee to call the election to select a party senatorial nominee for the regular term which will begin in 1913 to be held during the month of November of this year. In this primary Mr. Percy and Mr. Vardaman will both be candidates. Should the result be unfavorable to Percy he agreed, in his address, to tender his resignation as United States Senator for the present term to the next session of the State Legislature, an appointment to be made by the Governor to hold until the nominee selected at the proposed primary is seated in 1913. Both Senator Percy and Mr. Vardaman have addressed to Chairman Lomax of the Democratic State executive committee agreeing to this plan.

The program deals exclusively with those events concerning the veterans' three days' stay in Mobile, that of the Sons of Confederate Veterans being separate. The convention of veterans will take place Tuesday morning, April 26, deliberations being in the auditorium at Monroe park, Major General George P. Harrison, commanding the Alabama division, assembling the convention.

Following invocation by Rev. Linn Cave, chaplain general of the Confederation, the singing of "My Country, 'Tis of Thee," by the United Confederate choirs of America and the reading of a poem of welcome written by H. G. Barclay, of Mobile, by Miss Vera Williams, the veterans will be welcomed by Governor Braxton Bragg Comer on behalf of the State. Mayor Pat J. Lyons is to extend the welcome of the municipality, and Clarence J. Owen, commander-in-chief of the United Sons of Confederate Veterans, will welcome the old warriors on behalf of that organization.

Great Choir to Sing.

The program for the forenoon session also includes a song, "The Soldier's Dream," by Thomas H. Halliwell; recitation by Miss Minnie Rosse Richardson, of Alabama; an address surrendering the convention to General Clement A. Evans by General Chairman Jacob D. In accordance with the custom that has prevailed for a number of years, the convention will suspend business at noon and take part in the exercises of the "Memorial Hour."

At the afternoon session reports of the committees on resolutions and on monument will be made and then officers are to be elected. Aside from the entertainment features of the reunion, this will bring the deliberations of the second day to a close. Thursday the parade of the veterans will be the one big feature. The route has been selected with the greatest care in order to make it just as light as possible upon the physical condition of the veterans.
