But we had plenty of Conductors, after all mishaps we arrived safely at the City where we enjoyed a pleasant afternoon, and our kind Hostess liberally supplied us with plenty of soap and water, we enjoyed our trips so much and met so many friends that we intend to go again real soon.

ST. ELMO.

There is no more interesting and fascinating character in American literature than that of St Elmo Murray made famous by Augusta Evens in her novel of "St. Elmo".
People in the Southern States have come to look upon this hero of fiction as a historical character because he is such a super type of Southern manliness. Edna Eggleston is also considered to represent the perfect Southern woman.
Citizens of this city will have the opportunity of seeing these attractive personalities next Wednesday Night Oct. 12, when "St. Elmo" play an engagement at the Opera House in Williamston
