HOW OLD PEOPLE

May Prolong Their Lives

At an advanced age waste is more rapid than repair. The organs act more slowly and less effectually than in youth. The circulation is poor, the blood thin and watery, the appetite poor and digestion weak.

We want to say to every aged person in this vicinity that Vinol, our delicious cod liver and iron tonic (without oil) will prolong life. It creates an appetite, aids digestion and makes good blood. In this natural manner Vinol retards waste and replaces weakness with strength, giving new life to the worn system.

If people in this vicinity only realized how Vinol invigorates old people we would not be able to supply the demand.

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.

FOLEY KIDNEY PILLS

For Sheriff.

To the voters of Washington Co: I take this method of informing the voters of Washington County that I will be a candidate for the office of Sheriff in the coming campaign, subject to the action of the Democratic Primaries. If nominated I will use every honest effort to be elected, and if elected I shall strive to fill the office to the satisfaction of all the people.

Since my election, little more than a year ago, I have endeavored to discharge the duties of the office, impartially as a servant of the whole people. I have known no party or individual. I was elected as a Democrat and as a Democrat I ask the nomination again.

I hope the manner in which I have discharged my duties as an officer will meet the approval of my party in the primaries and of the people at the ballot-box in November.

Thanking those who supported me in the last campaign and assuring you that I will appreciate your support in the coming contest, I beg to remain

Your obedient servant,
J. E. REID.
