**"To Him That Hath
Shall Be Given."**

Perhaps the above is new to you. It is taken from a book that too few read as often as they should. When translated from the Hebrew it means: "To him that hath deposited in our bank shall be given interest on his money." Come in and let us talk this matter over with you. A bank account means independence, self respect, freedom from the worries of today and the uncertainties of tomorrow.

THOSE without one will bitterly regret their carelessness, for sooner or later they will be overtaken by misfortune in some form or other.
