Copyright 1909, by C. E. Zimmerman Co.--No. 57

There is nothing which make so much difference on the journey through life as a bank account.

Those without one will bitterly regret their carelessness, for sooner or later they will be overtaken by misfortune in some form or other.

On the other hand those with a bank account are sure to catch up with Dame Fortune.

For Your Consideration

You have doubtless heard of the farmer who kept his accounts on the barn door with chalk and the barn burned down.

Did it ever strike you that you were in the same kind of a "fix" when you pay your bills by cash? A check is a receipt that can never be denied.

Suppose you let us chalk on our books instead of wasting it on your barn door.
