Mr. W. H. Stubbs died at his home in this town on Thursday morning last, aged 72 years.

Mr. Stubbs had been in ill health for some time, yet was able to be up and about the premises until a few minutes before his death, which was very sudden, the cause being heart trouble.

The deceased was well known in this community, he having held the office of Register of Deeds in this county for many years prior to 1900. He leaves surviving him a widow and six children, four sons and two daughters, together with many friends who mourn his death.

The interment was made in Brinkley Cemetery on Saturday afternoon, Rev. W. B. Daughtry of the Baptist Church, officiating.

**Robert Earl Phelps**

In sad and loving remembrance of our darling boy, Robert Earl Phelps, who was laid to rest Sept., 23rd 1912.

Just one year has passed away. Since that sad, sad day. God alone, for He knew best, Called you dear Robert to rest.

'Twas a bitter grief, oh! a shock severe, To part with you darling, we love so dear.

Time was too short to say goodbye To the one we love so dear.

We miss your little foot-steps, We miss you everywhere: Home is not what it used to be, Since you are not there.

You are gone, but not forgotten, Never shall your memory fade Sweetest tho's shall ever linger 'Round the grave where you were laid.

We loved you, yes we loved you, But Jesus loved you more And He has sweetly called you, To yonder shining shore.

The golden gates were opened, A gentle voice said: Come! And with farewells unspoken, You calmly entered home. "MOTHER"

**Paint Now**

If you ought to have painted last year and waited for paint to come-down, how much do you think you made?

You'll buy an extra gallon this year. There's \$5 or \$6 for paint and labor. You think you won't, but you will; you can't stretch paint.

It is always so: the longer you wait, the more paint and wages. Beside what paint is for. What is it for?

**Druggist Gives Money Back**

When an article is sold a druggist who is willing to give it his personal guarantee, it's a mighty strong proof of real merit.

That's exactly the case with Dodson's Liver Tone. It is a pleasant-tasting, vegetable remedy for a slow and sluggish liver. Since Dodson's Liver Tone came on the market the sale of Calomel has gone 'way down. The reason is simply this: Dodson's Liver Tone is safe and harmless and guaranteed to be satisfactory—Calomel is often uncertain sometimes dangerous, and no druggist wants to guarantee that it won't knock you out of a days work and maybe send you to bed.

P. E. Davenport sells Dodson's Liver Tone and guarantees it. For you and for your children, it's a good thing to keep a bottle always in the house.

P. E. Davenport will give you your money back if you think Dodson's Liver Tone is not worth the price. "Keep your liver working and your liver will not keep you from working," is good advice to go by.

**IT DOES NOT COST**

much to drink good Coffee and Tea if you get same from me. I sell you as good Coffee for 25c per lb. as the local market charges you 30 & 35c per lb. Don't take my word, but give me an order and let me prove same to you. Kenney's Special 30, 35 & 40c Coffees are seldom equaled and never excelled in quality.
