street parade which will be given by the Howe Great London Show when it comes here on Tuesday October 7th, is well worth coming miles to see. It is not the old-time parade that has been seen yearly in this section, but one that is so modern as to be refreshing. In it will be seen many features entirely new and which have never before been received in any street pageant ever seen here.

This mighty parade is fully, if not over a mile in length. The opportunity will be given to see some of the finest horses in the country. There will be herds of elephants, droves of camels, herds of sacred cattle, zebras, llamas, buffalo and other hay eating animals. Of course there will be many open dens containing wild beasts, beautiful lady and gentleman riders, the funny clowns, steam pianos, callopes, chimes and Wild West caravan. In the parade will be the most costly tableau wagons, historical and allegorical floats that are carried by any show. It will be well for every one whether or not they intend to see the performance to come early and secure good points of vantage so as not to miss any of the great parade features.

While other shows have been trying to eliminate the parade, the Howe Great London show has refused to join hands with them in this movement, but instead have enlarged and added to the parade the show gives. Immediately upon the return of the parade to the show grounds a grand free outside exhibition will be given. The feature which will be introduced at this exhibition is of such merit that with any other show it would be the strongest advertised feature, and could never be seen without first paying to do so. With this show it is absolutely free.

**How Paint.**

The first cost of a good job of paint—Devoe—is \$50 (average size, of course). The first cost of a second or third or fourth rate job, \$55 to \$100.

The wear is likewise. The better you paint, of course, the longer it wears. And the more you pay for your job, the shorter it wears!

Devoe is one of a dozen good paints. There are hundreds of bad ones. As likely as not, Devoe is the only good one in this town.

This is a prescription prepared especially for **MALARIA or CHILLS & FEVER**. Five or six doses will break any case, and if taken then as a tonic the Fever will not return. It acts on the liver better than Calomel and does not gripe or sicken. 25c

**For Your Consideration**

You have doubtless heard of the farmer who kept his accounts on the barn door with chalk and the barn burned down.

Did it ever strike you that you were in the same kind of a "fix" when you pay your bills by cash? A check is a receipt that can never be denied.

Suppose you let us chalk on our books instead of wasting it on your barn door.

HE DID NOT TAKE HIS MONEY IN THE BANK TODAY

Copyright 1909, by C. & E. Sigmond Co.—No. 66

THERE is nothing which make so much difference on the journey through life as a bank account.

THOSE without one will bitterly regret their carelessness, for sooner or later they will be overtaken by misfortune in some form or other.

ON the other hand those with a bank account are sure to catch up with Dame Fortune.

**A Sure Remedy For Lazy Liver.**

There are very few remedies that gain the confidence of druggists as Dodson's Liver Tone does. F. E. Davenport sells it and backs up the sale of every bottle with the money back guarantee that the price will be refunded if it fails to give complete satisfaction.

Dodson's Liver Tone costs 50 cents a bottle. It is the safest and best remedy for torpid liver, constipation, biliousness, etc., that has ever been sold in this city. It takes the place of dangerous colomel and does not lay you up as a dose of calomel often does. A bottle in the house is as good as fifty cents in the bank. If you or your family need a

liver tonic you have the medicine ready. If it fails you get your money back.

Be sure you get Dodson's Liver Tone when you ask for it. There are imitations of it that may disappoint you.
