Dead.

John M. Bateman died at the home of his daughter, Mrs. J. H. Waters in Port Norfolk, Va., on Wednesday night, March 11, 1914, in the 79th year of his age, he having been born in this county on the 25th day of July, 1834.

The deceased was married four times, his last wife having died only a few months ago. He leaves surviving him by his first marriage one son and one daughter, Mr. W. M. Bateman, the present Judge of our Recorder's Court, and Miss Alice Bateman who lives with her brother. By his second union there are four surviving children, Mr. Edgar Bateman who lives near Plymouth, Mr. L. W. Bateman Mrs. Ella G. Waters and Sadie A. Ward, all now living in Norfolk, Va. There were no children by the last two marriages.

Mr. Bateman was elected Sheriff of Washington County at the close of the Civil War and filled this office for ten years. He represented the county in the Constitutional Convention of 1875, and at one time later represented the county in the General Assembly. He was for years a consistent member of the M. E. Church and was one of the few surviving members of the old Perserverance Lodge of Masons.

The remains were brought home on Saturday afternoon and were buried with Masonic honors in the family plot of the M. E. Church yard on Sunday morning at the pastor, Rev. W. J. Watson as a Mason, conducting the services.

The estimation in which the deceased was held was evinced by the large concourse of friends who gathered to pay the last tribute to his memory, they having come from miles around and in such numbers that the large church could not near seat them. Our deepest sympathies are extended to the bereaved ones. May his ashes rest in peace.

ROPER NEWS.

W. C. Thompson has moved his old dwelling from between his store and residence to the vacant lot East of his residence to make room for a modern brick building which he plans to erect as soon as the material can be assembled to which he will move his mercantile business. The Farmers Union Supply Co. will probably occupy his old store as soon as vacated. This is the second brick building recently projected which indicates that Roper means to keep step with other progressive towns in Eastern N. C.

The mission conducted last week in St. Luke's Episcopal Church by the Rector, Rev. C. P. Parker of Hartford was concluded at the morning service Sunday. Mr. Parker has made a fine impression in our community and his sermons have been greatly enjoyed.

After the sermon at the Methodist Church Sunday evening, Mrs. Lois E. Hassell sang a solo "Over the Line" accompanied by Miss Taylor, Organist.

Mr. Latham reminds us of the old woman who lived in a shoe, he had so many young ladies he hardly knew what to do.

The Quarterly Conference of Methodist Church will be held at Pleasant Grove Saturday evening of this week, and Presiding Elder, Rev. M. T. Plyler of E. City will preach in the church in the at that place on Sunday morning, March 22nd.

T. R. Hall and little daughter Virginia spent several days in Norfolk this week.

A basket ball team is being organized by the Boys of Roper High School. The goals have been erected and preliminary practice has begun. We hope to see some good games when the organization is perfected.

Little Miss Leta Chesson, daughter of H. Chesson who broke her arm several weeks ago had the misfortune to break it again while at play on the school ground during the afternoon recess Tuesday.

Telegrams received here by relatives Tuesday morning from Belhaven brought the sad news of the death in that town of Willie Lewis, a former Roper boy who has made his home there for the past few years, he being a fireman and extra Engineer in the employ of the N. S. R. R. and an unusually fine young man. He leaves a young wife and one small child besides other relatives and many friends to mourn his passing.

Raymond Harrison has resigned as salesman with the Roper Lbr. Co. Store Dept., effective April 1st, having accepted a position as Manager of the store of the Farmers' Union Supply Co. B. B. Spencer, the present Manager will devote his time to his private business.

MACON, GA., CHILD

Made Strong and Well by Vinol.

When we tell you that Vinol is the best remedy in our whole stock for making weak, puny, ailing children strong, robust and rosy we are only telling you what has been proved by hundreds of mothers.

J. L. Fickling, Macon, Ga., says: "My child was very thin and delicate, no appetite, nervous, and did not sleep well. Doctors did not help her, Vinol was recommended and the change after a fair trial was wonderful. She sleeps soundly all night, has a splendid appetite and has gained in weight. I wish every mother knew what Vinol will do for delicate children."

"What Vinol did for this little girl it will do for every weak and ailing child because sickly children need the strengthening cod liver elements and the tonic iron that Vinol contains—that is why Vinol builds them up quickly and gives them a fine, healthy color. It is pleasant to take and we guarantee that the results will satisfy you—money back if they do not."
