Mr. J. W. Read, Sr.

The news of the death of Mr. J. W. Read, Sr. came over the wire from Morehead City as a shock barbed with pain and sorrow. Only a few ago the deceased was upon our streets greeting his friends with a happy "good morning." Today all that was mortal of our friend and townsman is at peaceful rest in our silent city.

It was the writer's good fortune to have known him long and well, and we only knew him to esteem him more highly as the years passed by. Today we miss his kindly smile and friend-

ly greeting; we long in vain to hear the ring of his jovial laughter and to feel again his genial presence.

He was a devoted husband and a kind and indulgent father; to his friends the soul of fellowship. He was a man of all work and a man of all words. It is sad that those who knew him best most love to contemplate him.

He leaves to mourn his death a wife, four children, many relatives and a host of friends.

The funeral services were held at the Episcopal Church at 4 o'clock Monday, Rev. Jack Johnston officiating.

Our tender sympathies are extended to the bereaved ones.

MRS. W. W. LAKE

Tells Others How to Get Strong and Well.

Mrs. W. W. Lake of Aberdeen, Miss., says: "The grippe had left me in a weak, run-down condition from which I suffered for some time. I tried different remedies but nothing seemed to do me any good until I took Vinol, from which I received great benefit. My cough is almost entirely gone and I am strong and well again, and I am glad to recommend Vinol to others who suffer as I did."

Mrs. Lake's recovery was due to the combined action of the medicinal elements extracted from cods' livers - combined with the blood making and strength creating properties of tonic iron, which are contained in Vinol, and her cough disappeared as a natural result.

We guarantee that Vinol will do all we claim and will pay back your money if Vinol does not satisfy you.
