PUBLIC SPEAKING.

TO THE EDITOR,
THE ROANOKE BEACON.

DEAR SIR:—
I desire to announce through your columns that I, as a candidate for the office of Mayor of the town of Plymouth, will address its citizens at 8:00 o'clock P. M., Monday, May 3rd, at the Court House on various subjects touching its present and future growth and development.

I cordially invite, not only the press and voting population of the town generally, but the ladies and ministers of all the churches as well.

Our honorable and distinguished Mayor has been invited personally to be present and take part in the speaking and I sincerely hope it will be his pleasure to be with us on this occasion. I promise that criticisms and personalities will be absolutely avoided by me; my address will be more on the order of a "Get-together" business talk than otherwise.

Thanking you for your courtesy, I am,
Yours very truly,
G. W. HARNEY.

Christian Church Revival.

A revival meeting will be conducted by Dr. J. C. Coggins at the Christian Church, beginning next Sunday. There will be special music by some of the best musicians of Plymouth, a feature of which will be some splendid instrumental parts. The public is cordially invited to attend every service.

ROPER NEWS.

A series of meetings will begin in the Methodist Church on Monday evening, May 3rd, the pastor will be assisted by Rev. S. A. Cotton, a former pastor of this charge.

The extremely warm and dry weather that has prevailed for the past three weeks is retarding the growth of peas and other vegetable crops and unless seasonable showers come within the next few days, the crop will no doubt be below normal.

Plans are again being considered for a double brick store building to be erected on the Highsmith vacant lot on Main St., next to the Post Office, which when completed will probably be occupied by Mr. Highsmith and the Farmers Union Supply Co.

TO THE VOTERS OF PLYMOUTH.

Seeing no reason why I have not the same right as others to aspire for the office of Chief of Police, I hereby announce my candidacy for the office.

I do not say that I am the best candidate, nor do I charge any of the others with inefficiency or of being in any way incapable of performing the duties of the office, but I do contend that I am just as capable as any of them, and have certainly the interest of the town at heart, and if elected will do my utmost to prove to the people that they have made no mistake.

In anticipation of your support and assuring you that it will be greatly appreciated, I am,
gratefully yours,
R. H. SULLIVAN

FOR MAYOR.

I take this method of informing the voters of the Town of Plymouth that I will be a candidate for Mayor in the coming election. Your servant,
R. A. WILLIFORD.

For Chief of Police.

After carefully considering the duties of the office I think myself fully capable of performing them, and I take this method of informing my friends and the voters generally that I will be a candidate for the office of chief of police in the coming election.
