## Fire Fighting Equipment Fund Continues To Grow.

The special fund with which to purchase new equipment for the fire company, such as rubber clothing and some few things for the new truck, is gradually growing into pleasing figures. This fund is voluntarily subscribed by our townspeople, most of whom have a keen interest in the development of the organization.

Below we give a continuation of the donors and amounts donated:

### EFFECTIVELY SIMPLE FROCK

Ever so simple, yet piquant, is this frock, designed for development in the printed silks and other figured materials. The closing is at the left side, and the side-fronts, side-backs and kimono sleeves are cut in one, then adjusted on the front-closing lining. The two-piece skirt is attached at the left side. Because its lines are so straight and simple this model is equally becoming to stout and slender figures. Medium size requires 5 1/4 yards 36-inch material. Pictorial Review Dress No. 1578. Sizes, 34 to 48 inches bust. Price, 35 cents.
