## A Still Better Runabout

Nothing like the present low price for the Ford Runabout has ever been known. And for a Ford of even greater merit, with slanting windshield, one man top, additional carrying space in the rear and distinct improvements in chassis construction.

Salesmen accept this Ford model as an essential part of their equipment.

It is a still more attractive purchase than any other car of its class.

## MID-SUMMER MILLINERY IS BEING SHOWN FOR EASTER

THE BRIMS ARE GETTING A LITTLE LARGER ON MANY OF THE MID-SUMMER MODELS, AND THERE ARE LACE AND FLOWER TRIMS; AND EVEN ON THE DRESSY TYPE. THE FLOWERS ARE VERY COMPACT. SOME NEW FEATHERS ARE USED, BUT YOU NOTICE MORE OF THE LACE AND FLOWER TRIMMING.

Many larger shapes are made with Georgette, French Crepe and Crepe de chine brims, and hair or fine Milan crowns and have clusters of flowers or lace trimming.

And Other Products

TEXACO GASOLINE, the best gas, has reached such high favor with motorists all over the country, that they use more than one million gallons every day.

TEXACO MOTOR OIL enjoys an unequalled reputation. It is a different—and better oil. It can be immediately distinguished by its clean, clear, golden color. It is full-bodied, too. There is a grade for every type of car.

You will secure better satisfaction from your automobile, or from any other machine, if you will see that nothing but Texaco Red Star, Green "T" Products are used on it.

Look for the Star and secure satisfaction at the same time you buy petroleum products.
