BEAUTIFUL WEDDING

Awedding of unusual interest was solemnized here Tuesday afternoon at twelve-thirty when Mr. Daryl Vincent Clayton was married to Miss Annie Isolind Ange. The ceremony was performed in the Christian Church in the presence of an auditorium crowded with friends and relatives of the young couple. Rev. W. G. Lowe of the Methodist church performed the ceremony.

The church was beautifully decorated with potted plants, ivy and pink crepe myrtle and presented a most pleasing appearance. The bridal party entered to the strains of Lohengrin's wedding march rendered by Mrs. Ben A. Sumner. The bride was given in marriage by her brother-in-law, Mr. L. V. Landing. Mr. Herman E. Clayton of Batimore, brother of the groom, was best man. The bridesmaids were Misses Lida B. Ange and Sadie Ausbon. The dame of honor was Mrs. W. L. Whitley, and Messrs. R. M. Porter of Rocky Mount and Joe Ashens of Elizabeth City were groom's men. Mrs. E. G. Arps rendered a beautiful vocal solo during the ceremony.

Mrs. Clayton is a daughter of Mr. and Mrs. W. W. Ange, has been identified with the local telephone exchange for a long time and is held in high esteem by the entire community because of her affable manner and charming disposition. The groom enjoys the highest respect of the people of this section, is assistant cashier of the United Commercial Bank and considered one of the most promising young men of our community.

The bride and groom left on the south bound Norfolk and Southern train for Raleigh, where they joined the Tranquil Tour party of the News and Observer for a three week's trip through the western states.

They expect to return in about three weeks and will live in the home of Mrs. W. R. White.

The Beacon extends in heartiest congratulations to the popular couple and wishes them all the good things of life, for they certainly deserve them.

YOUTHFUL SLAYERS IN CHICAGO PLEAD GUILTY OF KILLING

Chicago, July 21.—The fate of Richard Loeb and Nathan Leopold, Jr. kidnapers and slayers of 13-year-old Robert Franks, was placed today in the hands of one man—John R. Caverly, chief justice of the criminal court of Cook county—when they pleaded guilty.

Apparently the only question remaining to be decided is whether they shall hang or be imprisoned for a crime without parallel in this jurisdiction.

Mr. H. H. Bateman of Creswell, was in town Monday.

SANDHILL PEACH SHOW

The Fourth Annual Carolinas Sandhill Peach Show will be held at Hamlet on Wednesday and Thursday, July 30 and 31, and promises many surprises for those who are not familiar with the peach industry. Plans for the show are materializing rapidly. The mammoth horse shoe frame which is to be covered over with thousands and thousands of peaches, has been built and is now being decorated. Decorators are also at work on the whole exhibition building, and on the streets for blocks around. All of the public buildings of the city as well as many private business houses and homes will be gaily decorated in festive colors for the occasion.

Besides the exhibition of peaches in the show building there will be shown orchard and farm machinery and supplies, sprayers, etc., as well as other products. The state home demonstration forcers will be there to show how to prepare and preserve peaches and peach by-products, and the housewife may get many helpful suggestions from this booth.

Governor Cameron Morrison will officially open the show on Wednesday morning, July 30, at ten o'clock. Governor McRae has been invited to speak on Thursday, and there will be a few others to make short talks, although the speaking program is light. Entertainment will be the strong feature. The Fifth Field Artillery Band from Fort Bragg will furnish the music for the occasion. The band will be accompanied to Hamlet by General A. J. Bowley and his staff. Motor trips are being planned out through the peach orchards, so the visitors may have an opportunity to see the pickers and packers at work, and get an idea of how the crop is handled.

The peach show management expects that last year's attendance of ten thousand will be more than doubled this year, as the railroad has offered the extremely low rate of one cent per mile, and all the roads leading to Hamlet are in fine shape for motor travel.

SAYS CRIME IN STATE IS INCREASING FAST

Wilmington, July 21.—Criminal offenses are tremendously increasing in North Carolina, Judge W. A. Devin, who opened a week of criminal Superior court here for Judge H. A. Grady, said in his charge to the New Hanover grand jury.

Law, he said, must be respected, obeyed and enforced if the community is to retain the hard won benefits of civilization, which, he said, for ages had been a struggle between law and order, and civilization in a community is measured by the degree of law enforcement.

Judge Devin paid tribute to Judge Grady, who will ride this district for the next six months. He said judge Grady is an able, upright, impartial judge and held in high regard wherever he sat in court. He also complimented the New Hanover officers, saying he knew of no county having more efficient officers and he also commended the New Hanover attorneys.

PLYMOUTH WINS TWO GAMES.

Tuesday afternoon Plymouth played the Robersonville team at Robersonville and won by the score of eight to one.

The game was quite and orderly and the players acquitted themselves splendidly. Smith pitched for Plymouth.

Plymouth played in Washington Wednesday and won by the safe score of five to one in a fast and interesting game. The team work in this game was very satisfactory, and Rose who pitched for Plymouth was given creditable support.

They will play Tarboro here this afternoon at 4 o'clock, and on Monday will play Edenton here.

PIC-NIC ENJOYED

The union pic-nic at Albermarle Beach yesterday was thoroughly enjoyed by all that attended. The Sunday schools of all the churches came together some time ago and decided to hold their annual outing at Belhaven this year at the same time, but recent heavy rains have caused the roads to become almost impassable. Consequently the trip to Belhaven was called off and the pic-nic was held at Albermarle Beach.

The weather was perfect, the roads were fair and nothing occurred to mar the pleasures of the occasion. We hope to see another such affair, for great benefits result whenever organizations of this nature get together for one purpose.

STATE FAIR WILL SHOW THE STATE

Raleigh, N. C., July 21, 1924.—The State Fair is living up to its slogan "It shows North Carolina", according to General Manager E. V. Walburn, who states that seventy-three counties participated in the premium offerings last year, which is six more counties than in 1922.

When Mrs. Edith Vanderbilt took over the reins four years ago she determined to make it a State fair in deed as well as in name, and she has set the goal this year for representation by one hundred counties. It is to be one hundred per cent a State fair with every county taking part.

Twenty-two thousand dollars is offered in premiums, which is divided so as to bring out a wide variety of exhibits as well as the best exhibits. It is divided, too, so that all sections of the State have a chance to participate in the prize money if worth while exhibits are furnished.

Exhibitors from the seventy-three counties last year have been invited to repeat; but the invitations will not stop here. Provision is being made to take care of the others expected to take part from the remaining twenty-seven counties.

While showing the State what it can produce and manufacture, the State Fair aims this year to give special emphasis to the many opportunities for development that exist. Educational exhibits will be one of the big features this year.

Priority of claim for space cannot be honored after July 31st, it is announced, and prospective exhibitors are urged to send their applications at once.

Mr. Harrison picked up a stout stick and gave chase, finally killing the snake despite the frantic warning rattles of the reptile.

He brought the snake home and left him in his front yard to be viewed by passersby. Upon being measured it was revealed that the snake was five feet and two inches from tip to tip and carried sixteen rattles and a button. Mr. Harrison plans making a belt from the skin.
