POPULAR CONDUCTOR OF PRAYER SERVICES

Mr. J. C. Coston, choir director of the Leaman-Coston evangelistic party, has been conducting a series of prayer services in the tabernacle on the Hampton lot each night at seven o'clock since the meeting began here about a month ago.

Mr. Coston has endeared himself in the hearts of the people of this community and his meetings have done worlds of good for people of every walk of life. On Monday night a delegation went with him to Roper where a very successful and enthusiastic prayer service was held.

The meeting will close here with a service Sunday night

and Mr. Coston will then leave for Sanford, where he will join the Caviness party who are conducting a revival in that town.

The business men of the town are supporting the prayer service in a splendid manner, and the average attendance is almost two hundred.

Many prayer meetings are being held voluntarily each day, and have resulted in many conversions. The young women under Mrs. Leaman and the young men under Mr. Cowell are becoming more interested each day and it is expected that federations will be organized in both meetings.

### COUNTY FAIR A SUCCESS.

**People of all Sections of County Are Taking Much Interest in The Second Fair held here**

The county fair opened here Wednesday morning with one of the largest and best organized parades of schools that has ever been held in Plymouth.

The exhibit building is crowded with displays that would do credit to any community, and Mr. Hampton, president of the fair association, advises us that the fair is much more of a success this year than it was last year and he expresses the hope that plans will be immediately formed for a larger and fair next year.

The demonstrations being made by Miss Delano Wilson, home demonstration agents are attracting ladies to each exhibition. Her work is a valuable asset to the county and people are taking a great interest in her efforts.

The Higgins concert band, which has been playing for fairs in much larger towns, are here for the week and are rendering splendid concerts each day on the streets and in the exhibit building.

### RED CROSS YEAR'S COST \$21,366,255

Nearly \$12,000,000 Devoted to Helping Victims of Great Japanese Earthquake.

OVER 3,000 BUSY CHAPTERS

Aid to Disabled War Veterans Paramount and Reaches Nearly \$4,000,000.

Washington.—More than \$21,000,000 was the total of funds expended in all activities of the American Red Cross during the last fiscal year, ended June 30, says a statement issued by the National organization. This expenditure was almost one-sixth of the amount of money disbursed by the Red Cross in the war year, July, 1917, to June, 1918. Of this extraordinary sum \$11,631,303 was America's contribution to the Red Cross for relief of the Japanese earthquake victims. This was increased to \$11,763,803 by appropriations from general funds of the Red Cross, and it represented probably the largest spontaneous outpouring of beneficence of a single nation in the history of the world.

Over 3,000 active Chapters expended during the year \$4,869,000, the National organization disbursed \$16,497,255.35, making the total \$21,366,255.35—all for humanitarian work which reached practically around the world.

In announcing the year's record of American Red Cross industry the executive officials at Washington emphasize the fact that the extensive and never-halting work of the Red Cross depends almost wholly upon the nation-wide support of the organization from the memberships enrolled during the annual roll call which this year will be in progress from Nov. 11 to 27, when everyone is asked to join or renew their membership in the American Red Cross.

#### Soldier Service Paramount

Service in behalf of the disabled veterans of the World War and their families is a paramount obligation of the Red Cross. The organization, through its Chapters, is constantly in touch with this duty in 2,609 communities throughout the United States—the Chapters alone during the year expended in service for veterans about \$2,000,000. The National organization expended \$1,735,825—a total of \$3,735,825 applied to assisting war sufferers toward recovery from disability and distress.

This work is constant in hospitals, sanitariums, camps, soldiers' homes, in the community. For example, in helping disabled men and women in places where they were transient residents \$173,076 from national funds alone was required to help solve their problems. Every Red Cross service is ever at hand ready to meet the individual need of these men and women.

The enlisted men in the Regular Army, the Navy, and the Marine Corps, with their home ties, mean a never-ending Red Cross service which figures cannot fully interpret. In this work a total of \$635,285 was applied in meeting an obligation under the Red Cross charter which has been fulfilled for over 20 years.

Domestic Operations Extensive

In the past year Red Cross operations were almost wholly confined to continental United States and the insular possessions. Relief work following disasters called for immediate activities in 192 places and a total of \$737,603.87 was spent in this service alone. In 33 major disasters trained workers were kept at the work of rehabilitation for many months.

In carrying on the health activities a total of \$444,886.66 from Red Cross national funds, and \$808,000 from Chapter treasuries—approximately \$1,252,886 in all—was applied, giving some idea of the extent of Red Cross service in the fields of public health nursing, nutrition instruction, and spreading knowledge of personal hygiene and care of the sick in the home.

For advancing the cause of human safety, the First Aid Instruction, locally by Chapters and over extensive national territory by the Red Cross instruction car covering trunk line railroads, and in teaching water-safety and increasing the membership of the Red Cross Life-Saving Corps the total cost was \$288,234.71, of which \$216,234.71 came out of national funds.

Army of Over 5,500,000

The Junior Red Cross in the schools—with over 5,500,000 in its "I Serve" ranks—was aided with \$233,518.73 to which it is estimated the Chapters added some \$277,000—a total of \$510,518.73. In various other domestic activities the Red Cross spent \$283,473.19, and the Chapters in their numerous voluntary services expended an additional \$1,048,000 during the year.

Foreign obligations, aside from Japan, were met with national funds as follows: Relief of refugees to Greece, \$200,887.18; Junior Red Cross projects, \$99,579.75; League of Red Cross Societies, \$165,000; other insular and foreign work, \$221,855.31. The American Red Cross budget for 1924-25 is \$4,647,790.95, or \$683,286.95 less than the budget for the year ended last June 30.

In good deeds for all peoples in time of distress the American Red Cross never rests. Help this work with your membership dollar—join us Armistice Day.
