Your Birthday

September 13-19

If your birthday is this week, one of your strongest characteristics is your demand for personal freedom. It is difficult for you to submit to the rule of others. While rather shy and timid, you are quick to express your own views, often thinking your ideas better than any one's else. However, you are tolerant of other people's views, providing you are permitted to enjoy your own peace and opinions. You are a keen observer; small details never escape your notice. You are critical, but your criticisms are usually of a corrective kind, made without any ill-feeling. You have a fine sense of honor, and never betray a trust reposed in you.

The women are the greatest match-makers in the world, fond of arranging matrimonial alliances among people they know, and equally as fond of breaking off such matches as seem to them inharmonious and unsuitable.

When intellectually developed, persons born under these dates are capable of great accomplishments. However, when undeveloped they are egotistical, verbose, severe and unkind. The women make fine authors, musicians, artists, designers, and milliners. The men make fine editors, printers, and salesmen.
