Clean Child's Bowels

"California Fig Syrup" is Dependable Laxative for Sick Children

Children Love Its Pleasant Taste

If your little one is out-of-sorts, won't play, seems sick, languid, not natural—suspect the bowels. A teaspoonful of delicious "California Fig Syrup" given anytime sweetens the stomach and soon moves the sour fermentations, gases, poisons, and indigestible matter right out of the bowels and you have a well, playful child again.

Millions of mothers depend upon this gentle, harmless laxative. It never cramps or overacts. Contains no narcotics or soothing drugs. Say "California" to your druggist and avoid counterfeits. Insist upon genuine "California Fig Syrup" which has directions for babies and children of all ages plainly printed on bottle.
