

"Daddy, look at the dollar I found," said Bobby.
 "Are you sure it was lost?" asked his father.
 "You bet I am," answered Bobby
 "I saw the man looking for it."

I envy thee, little firefly,
 You worry not a bit.
 For when you see a traffic cop,
 You know your tail light's lit.

Robert—I've a question to ask you.
 Leo—Alright shoot.
 If a boy is a lad, and the lad had a stepfather—
 Leo, deeply interested—Go on.
 Robert (walking away)—Does that make the lad a stepladder?

Soph: "Did you ever take chloroform?"
 Fresh: "No, who teaches it?"

"What's the matter, kid? Why are you crying?"
 "Aw, me kite won't fly, and me old man made it out of fly paper, too."

"But surely you don't really sell these watches at \$1.50 each?"
 Shopman—"Oh, yes, madam."
 "But they must cost that to make."
 "They do, madam."
 "Then how do you make your profit?"
 "Repairing them, madam."

"I don't believe half I see in print," said the pretty typist.
 "Judging from your spelling that must include what you see in the dictionary," replied the chief clerk.

"Repeat the words the defendant used," said counsel for the plaintiff in a case of slander.
 "I'd rather not, they are hardly words to tell to a gentleman," said the witness timidly.
 "I see," said counsel, "then whisper them to the judge."

"Any part of the city for fifty cents!" yelled the taxi driver.
 "You can't sting me again," retorted Hiram. "I bought the city hall last year, and they wouldn't give it to me."

"That's a story in two parts," said the soph as he tore his theme in two.

Said one gold dust twin to the other, "Lux against us!"

"I guess I'll have just a light lunch today," observed the rat, as it burrowed into the box of matches.

When Noah sailed the ocean blue He had his troubles same as you—
 For days and days he drove the ark Before he found a place to park.

The janitor's little boy, very black, was nicknamed "Midnight" by his white friends. He didn't mind them calling him that, but one day one of his own race exclaimed, "Hello Midnight!" he retorted indignantly, "You're jes' about quarter to twelve yo'self."

"My razor doesn't cut at all"
 "Why, George, you don't mean to tell me that your beard is tougher than the oilcloth I cut this morning?"

Willie (observing leopard at zoo) Mother, is that the dotted lion the insurance man was telling you about, when he loaned his fountain pen to you?

Fifteen Years of Satisfaction

Mr. G. E. Whitly of Lee, Fla., has been running a drug store for fifteen years or more. Here is what he writes about the famous Hanford's Balsam of Myrrh, an antiseptic liniment with a guarantee of satisfaction: "We have been selling and recommending Hanford's Balsam of Myrrh for the past fifteen years and have never had a single bottle returned as being unsatisfactory."
 Small wonder that the makers of this antiseptic remedy for cuts, burns, bruises, etc., are willing and glad to sell it under a guarantee of satisfaction.
 Sold at drug stores.
