The County Council and Washington County Federation of Woman's Clubs were held here on last Friday with a group of interested women from the entire county present.

The County Council meeting was held during the morning in the office of Miss Emma Gray Moorehead, county demonstrator. Mrs. Ida Bickhouse presided over the meeting, which was of a strictly business nature. Miss Maude Wallace, assistant State home demonstrating agent and Miss Mary Brandley, Chowan county demonstrator, were notable and interesting guests.

Council members approved the club program presented by Miss Moorehead which will run until the first of August. The home furnishing project will continue through April with a Rally Day during April at Mackeys to close the room improvement campaign. The clothing project will consume the months of May, June and July with a Federation meeting in July at Roper. A unique feature of this meeting will be the cotton dresses worn by the club members and made by their own hands.

A picnic lunch was served in the basement of the court house during the noon hour.

The meeting of the Washington County Federation of Woman's Home Demonstration Clubs was held in the afternoon in the court room. The election of officers was as follows: Mrs. Ida Brickhouse, president; Mrs. R. C. Heynen, vice president; Mrs. A. L. Holmes, secretary; Mrs. F. D. Wilson, treasurer; Mrs. W. B. A demonstration worthy of note was given on "Some Ways of Improving a Kitchen", by Miss Mary Brandley, who used a miniature model kitchen to make her remarks more effective.

The event of the day, which has caused considerable comment from those present, was the address by Miss Maude Wallace on "The Relation Between Room Improvement and Home Making". Miss Wallace spoke eloquently and fluently from experience gained from a number of years of work in this field and the ladies of this county enjoyed an unusual treat.

At the close of the meeting the Wenona and Alba clubs served a delicious salad course with hot coffee.

February Brings Famous Holidays

There are several dates during the second month of the year which are of interest to this nation in particular. The second is Ground Hog day at which time there are those who look for the first signs of spring.

On the twelfth will come the celebration of the birth of Abe Lincoln, one of the nation's greatest presidents.

On the fourteenth is St Valentine Day which will be celebrated in the usual manner.

The fifteenth marks the anniversary of the sinking of the battleship Maine in Havana harbor, which was the direct cause for the Spanish-American war. The veterans of this conflict will remember the battle cry of that day: "Remember the Maine."

The day of most importance is the twenty-second. This is Washington's birthday, and this day will be appropriately celebrated as the birthday of the first president of the greatest nation in the world.

IN MEMORIAM

HENRY DUNSTAN DREW

On Monday night, November 29, 1926, God in His infinite wisdom saw fit to take unto Himself the spirit of our dear husband and father.

Born October 16, 1893, in Bertie county, N. C., the son of John S. Drew. In his early life he gave his heart to God and united with the Baptist church. At the age of twenty he married Mary M. Hoggard. This union was blessed with four children, two boys and two girls, all of whom survive him. He also left a father, six sisters and three brothers.

While I realized that my dear husband was failing, his death came as a great shock as he was so bright and cheerful. All that loving hands and skilled physicians could do was done, but to no avail. God had need for him, so he fell asleep as a tired child sleeps on its mother's lap.

Our prayer is that in the glorious after a while, when each of our tasks shall have been ended, a happy earthly home will for a Heavenly one gain.
