FRIDAY, FEBRUARY 11, 1927

China, it seems, wants to have a
hand in bossing China.

The women, God bless 'em, have
so far failed to reform politics.

The writers of most of the lurid
novels of the epoch are against
censorship.

China has enough "generous"
offers to please the most glutinous
diplomat.

Italy is fighting the Y. M. C. A.
That won't hurt the Y. M. C. A.
much in the long run.

A newspaper may be legally en-
titled to reject advertising but very
few of them ever do so.

Our extra slice of pie for this
week is awarded the fruit seller who
lets the buyer pick his own.

Any newly married couple in
Plymouth can tell you how to be
happy through married.

Paying your subscription in the
month of February will enable you
to begin March like a lion.

The average sweet young thing
is just thinking how charming she
will look in her new spring suit.

Five new colors are reported in
the advance French styles; they are
the same old ones, with new names.

Farmers in Washington Co. are
now preparing to gamble with the
weather as well as the bulls and
years.

Good relations with South Ameri-
ca will probably help our trade to
exceed the \$2,000,000,000 total of
last year.

Even a man, like Roger Bacon,
wise for his time, some seven hun-
dred years ago, had an elixir of life.
It didn't work.

If you want to make individual
progress ask yourself, every even-
ing, "What was the most foolish
thing I did today?"

When commissions begin to study
a subject it is time for the rest of
the public to give up all hope of
understanding it.

The average employer will give
more care to a \$2,000 machine in
his shop than to a worker at the
bench, running the machine.

Insurance, once illegal as gam-
bling, has become a great financial
power. One company has assets of
more than two billion dollars.

The president declares for "ade-
quate military preparedness." Yes,
yes, but there is so much difference
of opinion as to what it is.

Nowadays, when a Washington
resident speaks of the new Senator
from Texas he doesn't mean any-
body less than Tristram Speaker.

In the midst of all the extra
dividend news we have so far failed
to see where any farmer announced
a stock divided or an extra slice
of profits.

Boy is Victim of Fall

While playing circus and using
the back fence for a tight rope, a
boy of eleven lost his balance and
fell to the ground. His wrist was
so badly strained and swollen that
he lost entire use of it for over a
week. Remedies of various kinds
failed to give the lad relief to any
degree. His worried parents at last
procured a bottle of Hanford's Bal-
sam of Myrrh. A few applications
quickly reduced the swelling and
the pain. Hundreds of others have
found relief in similar cases by us-
ing this great remedy.

Hanford's Balsam of Myrrh is a
liniment and an antiseptic. It is
recommended especially for use in
serious cases of old sores, cuts,
burns, bruises and sprains of any
kind. Sold at drug stores.

True Distinction
The Most Beautiful Sedan in Chevrolet History!

A masterly example of the coachmaker's art, the Chevrolet Sedan with its Body by Fisher reveals a distinction usually found only on the costliest custom-built creations. It is literally true that no four-door enclosed car, priced so low, ever exhibited such marvelous beauty of line and color.

It is finished in rich Marine Blue Duco, gold striped, and its handsome proportions are emphasized by new full-crown one-piece fenders and bullet-type lamps. In addition it offers the host of improvements which helped make the Most Beautiful Chevrolet the greatest sensation of America's greatest industry. AC air cleaner, AC oil filter, large 17-inch steering wheel, new frame-mounted tire carrier, gasoline gauge and many, many others.

Come in! You need only to see this new supremely beautiful and mechanically finer sedan to realize what amazing value it represents at its greatly reduced price.
