Terrible news: France is faced

The batteries today: McAdoo and

track of the number of wars now
under way.

**FREE TICKET TO
GOSSIP TOWN**

Have you ever heard of "Gossip
Town,"
On the shore of "Falsehood Bay,"
Where old "Dame Rumor," with
rustling gown,
Is going the livelong day!

It isn't far to "Gossip Town,"
For people who want to go,
The "Idleness Train" will take you
down
In just an hour or so.

The "Thoughtless Road" is a popu-
lar route
And most folks start that way,
But it's steep down-grade; and if
you don't look out
You will land in "Falsehood Bay"

You will glide through the valley of
"Vicious Talk,"
And into the "Tunnel of Hate,"
Then crossing the "Ad-To-Bridge,"
you walk
Right into the city gate.

The principal street is called "They
Say,"
And "I've Heard," is the public
well;
And the breezes that blow from
"Falsehood Bay"
Are laden with "Don't You Tell."

In the midst of the town is "Tell-
Tale Park,"
You're never quite safe while
there.

For it's owner is "Madame Suspici-
ous Remark,"
Who lives on the street "Don't
Care."

Just back of the park is "Slander's
Row,"
'Twas there that "Good Name"
died-

Pierced by a shaft from "Jealousy's
Bow,"
In the hands of "Envious Pride."

From Gossip Town, "Peace" long
since fled,
But Trouble, and Grief, and Woe,
And Sorrow, and Care, you'll meet
instead.

If ever you chance to go.
