

Columbia's Budget Allots \$10,053 For Year's Expenditure

Tax Rate Slightly Increased As A Greater Fund Is Allowed Expenses

FIREMEN ALLOWED SPEND ONLY \$100

About \$1500 Will Be Expended For Salaries; Spend \$1000 For Upkeep Of Streets; Set Aside \$658 To Pay For Street Sweeper; Revenue From Plant Given At \$3,167

Columbia, Dec. 6.—Operations of the various departments in the local municipal government will have to manage on \$10,053 for the current fiscal year, it was learned today from W. H. McCless, city clerk. This is the total amount allowed for expenditure during the current fiscal year against an expenditure for the previous year of \$7,693 and an even lower expenditure for the fiscal year ending in 1926, according to estimates in the budget recently adopted for the year of 1928.

For the payment of special bonds, principal and interest for the current fiscal year \$5,500 was appropriated in the budget from the revenues. The fund for old liabilities and the general fund will remain about the same. About \$1,500 will be expended for salaries. Street maintenance will represent an expenditure of about \$1,000. Only \$100 is allowed for payment of debts incurred by the fire department during the fiscal year.

A fund of \$658 has been set aside for payment of the interest on the street sweeper; while \$786 will be necessary to pay the note and the interest on the fire truck; and \$500 will be required to pay the interest and the note on the siren. The tax rate is fixed at \$1.95. Relative to the amount received annually from other sources the budget allows \$500 for this revenue department. Revenue from the light plant is estimated at \$3,167.

The estimated expenditure for the electric light plant is given at \$2,875.39. This money will provide for the opening expenses, repairs, building and repairing lines and other improvement work. It is thought that this fund will take care of the expenses incurred from adding equipment which has been necessitated in order for the plant to furnish power to Creswell which officials from the two towns have contracted for. May or W. J. White has been very instrumental in influencing the City Fathers to progressive movements.

PRESENTS \$500 TO CHURCH SOCIETY

Officials of the Woman's Missionary Society of the local Methodist Church received a check for \$500 from Clinton Toms, of New York City, president of the Liggett and Myers Tobacco Company, yesterday, to aid them in their work for the church. Directly after Mr. Tom's graduation from a college in this State he became principal of the local school which he served for some time. Frequently his name is mentioned in the "32 Years Ago" department in this paper.

Mrs. M. W. Norman was hostess to the members of the Society at her home on Main Street Tuesday afternoon.

After the devotional part of the program various business matters were discussed.

Officers were elected as follows: Mrs. A. L. Brinkley, president; Mrs. A. R. Dupree, vice-president; Mrs. J. S. Norman secretary and Mrs. A. L. Owens, treasurer.

Pascom Hurley, pastor of the local Methodist Church. The couple left immediately after the ceremony for Norfolk. They will make their home in Bethel.

CONVICT 3 OF VIOLATING DRY LAWS

Found guilty of violating the prohibition law on three counts by a jury in Recorder's Court here Tuesday, Joe Pritchard was fined \$1,250 and costs; J. A. Bateman, \$500 and costs; and Richard McGee, \$5 and costs by Judge Zeb Vance Norman. The defendants were charged with possessing a large quantity of liquor; having it in their possession for the purpose of sale; and transporting the illicit fluid in a gasoline boat.

The trial came as the result of a raid made on a gasoline boat that was moored some distance from the Sound Side wharf early Thanksgiving morning when Sheriff J. K. Reid, Chief of Police P. W. Brown, and L. L. Basnight seized 670 gallons of whiskey and a gasoline boat and some personal property of Joe Pritchard.

The officers were on the scene where the cargo of whiskey was to be unloaded previous to the arrival of the whiskey laden vessel when about eight or ten automobile presumably owned by confederates of Pritchard were driven up to the shore where the occupants alighted and began to firing shots into the air as signals to the persons on the boat.

About this time the officers threw off all cautiousness and began firing into the air in an effort to frighten the persons on land and in the boat. Those on land dared for their automobiles and made good their escape. Pritchard, who had just rowed a small boat to the shore and had unloaded a large amount of the whiskey was seen by the officers as they closed in on the small skiff. Pritchard had just stepped out when he saw the officers and fled.

The defendants were arrested on the following day or soon thereafter. The immense quantity of liquor was used as evidence against the defendants in the trial. Attorneys H. S. Ward and W. L. Whitley represented the defendants.

AWAIT ARRIVAL OF BRIDGE SURVEYORS

No word has been received from the State highway officials in regards to the letter that has been forwarded to them this week by Zeb Vance Norman, president of the local Chamber of Commerce, in regards to the resolutions that was mailed to them in which the City Council and the Washington County Board of Commissioners agreed to guarantee equal shares of \$250 as the cost of the survey in anticipation of the erection of three bridges spanning the Roanoke, Middle and Cashie rivers and the construction of a causeway linking the bridges together, thus connecting Washington and Bertie counties.

A special meeting was called by the City Council in which the resolution was adopted to guarantee an amount for their part not in excess of \$125. This money will be paid when the preliminary survey is made and a statement of the findings filed with City Clerk M. W. Spruill. The entire body seemed to be in favor of the undertaking.

Among the first things that the new Board of County Commissioners did was to adopt a resolution pledging to pay their share of the total amount for the survey for the bridges and causeway across the swamp. During this same meeting the new Board of County Commissioners, which is composed of J. C. Spruill, chairman; W. T. Phelps and E. R. Lewis, took their oath of office, which was administered by C. V. W. Ausbon, clerk of the superior court.

This action was taken by the county and town officials following up a suggestion by Chairman Page, of the State Highway Commission, which was made to the Chamber of Commerce officials in a meeting with the highway chief in Raleigh recently, when the commercialists filed petitions with Chairman Page in regards to the bridge which was signed by officials of counties in this section.

County Teachers Association Meets In Roper School Today

Roper, Dec. 6.—Teachers in the Washington county public schools are expected to attend the meeting of the Washington County Teachers Association that will meet in the local school building Friday afternoon at 2 o'clock.

It was learned here today from J. W. Norman, county superintendent of public instruction, who was here this week on business. Principal H. L. Swain, of the Creswell School, the newly elected president, will preside over the business session during announcements and other general business sessions, after which the general session will be divided into departments.

In the high school section Principal E. N. Riddle will compare the medians of the eighth grades in the high schools in this county in a short talk. Discussions of the variations in the scores in the test recently given to the eighth grades; what has been learned from these scores that will enable teachers to remedy any existing defects; are

these defects found in the other high school grades; and does length of term affect these variations will be by H. L. Swain, A. W. Davenport, E. N. Riddle, and L. H. Hubble.

In the grammar grade section, Miss Viva Parker will discuss indoor drills. Miss Mary Belle Miller will speak on project in Geography or History as worked out in the classroom. The use of maps as an aid to teaching Geography will be explained by H. W. Pritchett. Mrs. N. G. Duncan will give a study in nature relating to birds.

In the primary section an outline of language work in the first grade will be given by Miss Beatrice Limstrong. Mrs. H. A. Liverman will give an outline of language work in the second grade. Miss Hildred Swain will give an outline of language work in the third grade, and Miss Margaret Anthony will speak on errors in primary grades and ways to correct them.

Every teacher is requested to bring a pencil.

Mission Workers To Convene Monday In 1-Day Session Here

RUMMAGE SALE PROFITABLE TO CLUB

Pleasant Grove, Dec. 6.—The Pleasant Grove Woman's Club met Tuesday afternoon at the home of Mrs. C. W. Snell. The meeting was called to order by the president, Mrs. W. B. Chesson. Devotional services were conducted by Miss Jamie Reddick which consisted of a hymn and prayer. The roll was called and minutes were read by the secretary, Mrs. W. A. Swain. Mrs. S. Z. Waters reported that \$10.90 was made by the club at rummage sale which was held in Plymouth recently.

Mrs. Snell and Mrs. Tarkenton gave a demonstration on making cake icing. A picture was taken of the club by Miss Pratt Covington, with fourteen members present and an additional two members. All the club women who have fancy work to sell are urged to have it in the hands of the home demonstration agent by December 7. The next meeting will be at the home of Mrs. M. J. Alexander. After the meeting delicious refreshments, consisting of fruit salad and cake was served by the hostess and Mrs. Waters.

CHRISTIAN CHURCH TO BE HOST AT MEET

First Of Three Sessions Will Begin At 10 O'clock In The Morning; Eminent Mission Speakers Are Slated For Addresses; Conferences And Banquet Are Features

Forty Christian Churches in the eight surrounding counties are expected to send a total delegation of about 200 people to the annual One-Day Convention that will be held here next Monday, when members of the United Christian Missionary Society gather in the local Christian Church. The local convention will be only one among the 201 that will be held in the United States and Canada this year. There will be three sessions including the banquet in the evening devoted to the theme "Sharing With Christ."

The first session will open at 10 o'clock in the morning, which will be devoted to devotional services for the first half an hour; an address by a missionary and an agenda will be used and an opportunity given for discussion. In the afternoon session, which begins sharply at 1 o'clock, there will be simultaneous missionary organizations and religious education conferences and an explanation of literature and quotas by a speaker.

In the afternoon session there will be a presentation of the work in the homeland; the pension system; the work around the world which will contain the facts of a survey followed by an address delivered by a missionary. During the evening session, which begins at 6:30 with a general banquet at which time a missionary will speak. Slight changes may be made in the program to conform with last-minute essentials.

Among the speakers will be Dr. Royat J. Dye, a former missionary to Africa who aided in establishing the Congo Christian Mission of the Disciples of Christ at Bolenge, and was the only doctor for hundreds of miles in the Congo region; H. P. Gamboe, who finally decided to go to India while attending Transylvania College, from which he graduate with the bachelor of arts and bachelor of divinity degrees in 1921; and E. B. Quock, of Atlanta, Ga., southeastern superintendent of the United Christian Missionary Society.
