## Not Too Late!

It is not too late for the County Commissioners to redeem themselves from the outrageous mistake that they made recently in the purchase of the Owens property on which to place the Negro school.

Some seem to think that the deal is closed. It is not. No transaction is ever closed until someone has received something and Chairman J. C. Spruill told a representative of the Beacon and News Tuesday that he had never received any property from anyone for the purpose of building a Negro school or anything else on.

The Beacon and News pleads to the County Commissioners to reconsider what they have done. Give the public some consideration. People from Roper, Creswell, Wenona, Mackeys, in fact from all over the county elected you to operate this \$15,000,000 organization for them and you, honorable commissioners, owe to them some consideration. Don't allow the petty jealousies of a few to guide you in this the most important thing that has ever come before you. The rights of a people is being considered—what are you going to do with them?

There is one thing more that the Beacon and News would like to call to the attention of the honorable board of County Commissioners: the Wenona roads. Those people over in the Wenona section are a part of Washington county and pay their prorata part of the taxes paid in the county treasure. They want a road. 25 of them went before you, Mr. County Commissioners last Monday with a petition signed by 97 per cent of the population in that section asking that you give the road to some person in that section to look out for. What did you do? You deliberately listened to them talk and in a friendly way present their petition and wants and then you deliberately forgot that they existed, or rather there isn't even any mention made in the minutes of their having called.

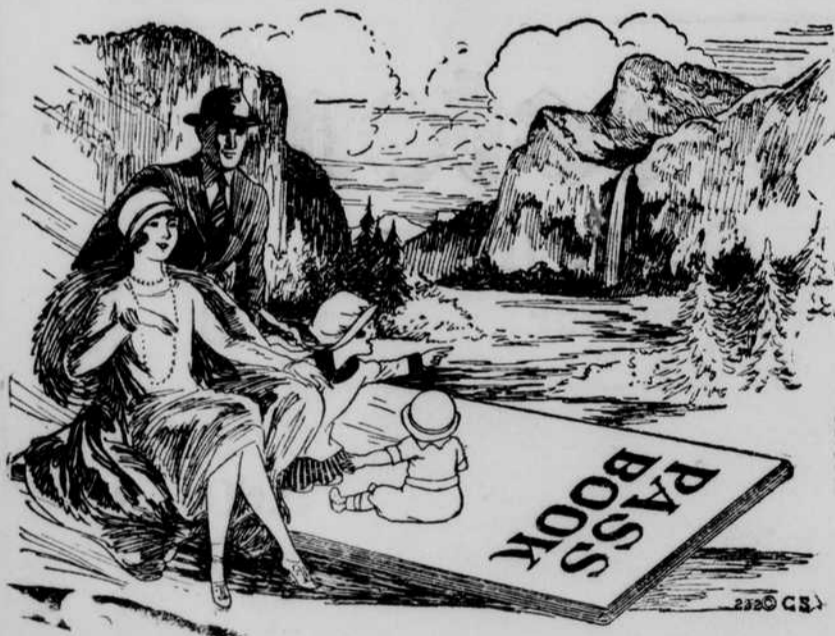

Wenona needs and should have some consideration!

**WHEN CHILDREN Need a Laxative**

"We have used Theodora's Black-Draught in our family for nineteen years. I have found it of great help in raising my family."

"I have given it to all six of my children. Whenever they complain of upset stomach, or begin to look pale and sickly, I make a tea of Black-Draught and begin giving it to them. In a day or two they are all right."

"I give it to them for constipation, and my husband and I both take it. I always give it for colds in winter, for I believe a way to prevent them is to keep the system clean."
