

### CAGLE AMAZED AT THE RESULT

"After suffering for 5 years Sargon put me back on my feet and made me feel like a man that had been made all over again.

VIRGIL CAGLE

"I was so weak and rundown that I'd lay off from work for days at a time and rheumatic pains nearly drove me crazy. My kidneys were over-active, my appetite was next to nothing and nearly everything I ate disagreed with me. I've actually gained eight pounds since I started Sargon. I'm enjoying hearty meals along with good digestion and my whole system has been rebuilt to a strong healthy condition. My kidneys never bother me now and every rheumatic pain is gone. Sargon Pills stimulated my liver and ended my constipation, and I'm absolutely amazed at the results this treatment brought me."—Virgil Cagle, Waynesville, N. C.

### Back Quit Hurting

"I was in a very weak condition from a serious sickness," writes Mrs. I. Leonard, 571 Joseph St., New Orleans, La. "I was so weak, I wanted to sleep all the time. I did not have strength to do anything. My back ached nearly all the time. I was just in misery."

"My mother told me I must arouse myself from the sleepiness, and take something to help get my strength back. She had taken Cardui and had been helped, so I decided to take Cardui, too. After my first bottle, I could see that it was helping me. I took four bottles at this time. My strength came back and I gained weight. Pretty soon, I was my old self again. "My back quit hurting, and I haven't had any more trouble since I took Cardui."
