

Home and Club News

By Miss Eugenia Patterson

Schedule of meetings for next week: (All at 2:30 p. m.) Tuesday, Cross Roads. Wednesday, Cool Springs. Thursday, Pine Grove. Friday, Albemarle. Saturday, 28th, curb market.

Notice To All Club Women

Please answer your questionnaires and return them to the designated persons. Just simply read them over once or twice and answer the questions asked. Some just require a check. These are very important for club and county reports. Won't you cooperate? Your services will be appreciated. Please, yard leaders and canning leaders who haven't responded to the last request, send in a report.

Orphanage Picture To Be Shown Here Soon

A motion picture film portraying the life of an inmate at the Lexington and Tiffin, Ohio, orphanages that are supported by the Junior Order of United American Mechanics will be shown in the auditorium of the Plymouth High School at 8 o'clock on the evening of Wednesday, October 25.

With the film will be E. N. Harris, of Tarboro, field secretary of the Junior Order, who will explain the scenes. It will be shown for educational purposes. The public is invited to attend. There will be no admission charge. W. E. Weede is councillor of this chapter.

FOR SALE: 1929 BUICK COUPE;

1931 Ford coupe; 1930 Ford roadster. Good mechanical condition. Good tires. Priced to sell quick. See O. Henry Lyon, Plymouth. o13 2t

CROP CONDITION FOR THIS STATE REPORTED GOOD

Storm Damage In Eastern Part of This State Is Placed at \$2,300,000

The government report recently released in connection with general crop conditions in this State and for the various sections, shows a favorable situation as far as the crops are concerned.

September weather conditions were favorable for the harvesting of most crops. The mid-September tropical storm that did considerable damage in about 15 coastal counties interrupted the harvesting operations for a few days only.

The damage from the eastern tropical storms of late August and September totaled about \$1,000,000 loss. Other agricultural damages to buildings, fruit trees, timber, etc., totaled about \$1,300,000 more.

It has been a fine year for both the yield and saving of hay crops. This is especially true of Eastern Carolina in spite of the storm conditions.

An average of 1,800 pounds of hay is reported, which indicates 641,000 tons or about 13 per cent more than last year. Pasture conditions for October 1st averaged 71 per cent in North Carolina as compared with 76 for the 10-year average, but about 22 per cent better than a year ago.

Corn was quite good in spite of the unfavorable June and July dry weather fears. The 42,530,000 bushels estimated is almost 25 per cent more than last year and about 8 per cent greater than the 5-year average. The old corn on farms is about one-fourth of the farm supply or stock of the two previous years.

Peanuts show 69 per cent condition for the North Carolina-Virginia commercial area as compared with 71 for the 10-year average. The acreage is reduced appreciably which largely accounts for this year's estimate of 302,000,000 pounds being 24 per cent less

than last year and 12 per cent less than the 5-year average. The nuts are fewer per plant but better filled pods than usual.

Sweet potatoes are showing 8,300,000 bushels for this state, based on a condition of 74 per cent, which compares with 76 for the 10-year average. The American crop is estimated at 69,951,000 bushels, or 9 per cent less than last year, but 11 per cent more than the five-year average. The dry fall conditions thus far indicate good keeping qualities.

Tobacco

With the exception of the 1930 crop, when 586,000,000 pounds were made, the current year's forecast of 520,000,000 pounds in North Carolina is a record high production. The 1930 big crop sold at an average of approximately 13 cents. However, the 1931 much smaller crop sold at an average of 9 cents and the last year's crop at 12 cents. The tobacco sold to date shows an average of 12 cents. In spite of the closed markets during September, the sales to October 1 were slightly more than the year before.

The total fine-cut tobacco belt crop in the southeastern states is indicated at 705,000,000 pounds, which is almost twice last year's crop, but 4 per cent less than the five-year average.

Good Yields of Lespedeza Reported in Alexander

Good yields of Korean lespedeza are reported in Alexander County. Lee Roy Pressler says he secured 254 bales of hay from less than five acres.

Several Plan To Attend Welfare Conference

Mrs. W. C. Brewer, superintendent of public welfare in Washington County, and others from here will attend the northern district welfare conference that will be held in Kingston Tuesday, October 24, with Dean Justin Miller, of Duke University, as the luncheon speaker. Among the speakers will be Mrs. W. T. Bost, commissioner of public welfare; Mrs. Thomas O'Berry, state director of Federal relief; E. E. Connor, superintendent of public welfare

in Buncombe County; Dr. Harry W. Crane, director of dental health and hygiene of the State board of charities and public welfare.

NOTICE OF RESALE OF VALUABLE REAL ESTATE

Under and by virtue of the power and authority contained in that certain deed of trust, executed by G. F. Woodley, trustee, dated January 15, 1927, and recorded in the office of the register of deeds of Washington County, in book 74, page 408, to which reference is hereby made, default having been made in the conditions of said deed of trust, and by virtue of an order of resale, the undersigned trustee will offer for sale to the highest bidder, for cash, at courthouse door of Washington County, Plymouth, North Carolina, at 12 o'clock noon, on Monday, the 30th day of October, 1933, that certain tract or parcel of land described in the said instrument, as follows:

Their one-third undivided interest in the four thousand acre tract, which the said G. F. Woodley inherited from his father, T. S. Woodley. The said four thousand acre tract now being owned jointly by S. W. Woodley, G. F. Woodley, and M. V. Woodley. A deposit of 10 per cent of the amount bid will be required of the highest bidder at the hour of sale, as evidence of good faith.

The above is sold subject to all prior liens.

This 10th day of October, 1933.

D. E. WOODLEY, Trustee.

Wake Up Your Liver Bile - Without Calomel

And You'll Jump Out of Bed in the Morning 'Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get those two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for "Pee" pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Beware a substitute. See at Pharmacies. #1191 C. W.
