ELECTRICITY IS CHEAP
YOU, too, can live on EASY STREET!

HERE are more than a million homes on this "easy street" . . . more than a million homes where Electric Ranges are making cooking easy for the housewife.
 Electric Cooking is easy because it is so simple to cook on an automatic electric range. It is easy because it can be done so completely automatic that you can duplicate your best results every time . . . and never go near the kitchen during the cooking period.

It is easy because the electric heat—like the ingredients of your recipes—can be measured accurately. It is easy because it is clean and easy to keep clean.
 Yet—ease is but one of the many advantages of cooking electrically.
 Think what this ease would mean to you! Full and complete details are yours for the asking—including the special payment plan—so why not learn all the facts about electric cookery now? We, or your dealer, will welcome your call or visit.

To the Voters of Washington County

I wish to take this method of extending my sincere thanks to those loyal friends who supported me and helped nominate me in the Democratic primary Saturday.
 If elected in November, I shall endeavor to serve to the best of my ability and will be open and ready to listen to opinions and constructive criticism from those people in the county who have the welfare of the county at heart.
 Our meetings will be open and the people are urged to attend. And, also, we wish to keep the people of the county informed as to the condition of our county through the papers and otherwise.
