Notice to Voters

I am a candidate for Representative on the Republican ticket. I believe in letting the people know how I stand on the issues of the day. Below are some of the things for which I stand:

1. I am opposed to any increase in taxes on property.
2. I am in favor of an eight-months state-supported school term, with just recompense to the school officials.
3. I shall be glad to help secure funds from sources not paying their proper share of taxes, if it can be done, and thereby do away with the sales tax. If those sources are not available, I see no reason for doing away with the sales tax.
4. I am in favor in a reduction in automobile license tags.
5. I am opposed to any increase in hunting and fishing licenses.

I shall appreciate your active support and promise that, if elected, I shall at all times try to carry out the will of the people.
