Save yourself and me the trouble and embarrassment of advertising by paying them by January 1. Not only does it save embarrassment, but it saves time, trouble, and money, if your taxes are paid before the advertisement starts.

## of frankincense and myrrh

Of devotion to an ideal. Centuries have not dimmed the steadfastness of purpose that three wise men expressed with their sincere gifts. Instead, time has perpetuated their devotion... carried it to our own time... where today it strengthens the loyal attachment we show toward our greatest ideal—the Cause of Humanity.

Daily practice of this ideal has brought the telephone closer and closer to the hearts of the public. In sickness, fire or burglary, the telephone is easily reached to summon help or to notify loved ones. Messages of cheer and messages of sorrow are sent quicker by the telephone.

This Christmas time, think of your boy or girl at college or away from home for some other purpose. Call them. One sound of your voice will thrill them. Also the youngsters will appreciate a word from you. Just say—"A Merry Christmas to you."
