Telling "Our Bob"

Some funny things happen in this life. When Senator R. R. "Our Bob" Reynolds tired of Washington life recently, he concluded to go down to the Virgin Islands and tell the natives there just how they might sing and dance. However, they seemed not to like his methods, and some of the newspapers reported that he was told to return "to his women and wine."

At any rate, "Our Bob," according to his statement, concluded it would be best to have his whole committee present before tackling the job at hand there. He found that the Virgin Islands did not furnish the right climate for him, so he rushed back to the States, presumably to marry a widow.

Stop The Profits And You Stop War

The Congress of the United States is appropriating a half a billion dollars for the purchase of machinery to kill people.

The word seems to come down from some place every time Congress meets, virtually ordering them to provide expenditures for materials with which to kill people. And not only does that same order come to the United States it also goes out to the governing bodies of Japan, Italy, Germany, France and all the others. The war lords seem to have full power over all the nations.

In the late World War, some private individual or partnership, made a net profit of a million dollars for every three men lost. And there is the root of the evil. When war profits are stopped, 99 per cent of the wars will be stopped. Of course, there is no way to guess when the people will have sense enough to stop listening to war profiteers.

A Chain Letter Racket

Morgantown News-Herald.

A general warning should be sounded throughout the country advising all unsuspecting souls to look out for a chain letter racket that seems to be "going some" in sections of the West. So great was the extra load of mail in Denver, Colo., that postmen were greatly burdened.

In brief the plan being worked is to send out a chain letter requesting the receiver to place his name at the bottom of the list, scratch off the name at the top and send a dime to the person whose name has been eliminated.

Postal Inspector Roy E. Nelson last week attempted to discover what would happen if a chain, starting from a single letter, were to be unbroken through twelve phases.

He found to his amazement that in twelve progressions more than 305,000,000 persons would receive letters in an unbroken chain. This is two and one-half times the population of the United States. Mr. Nelson also calculated that of this number 3,911 would get \$6,103,505.50 and the rest nothing.

Joint Hostesses

Misses Mary Lillian Campbell and Martha D. McGowan were joint hostesses to the Bach Music Club on Saturday evening May 25th at the home of the former. The fourteen members were present and gave interesting facts about the piano composer, his great works and life. Frederic Choper, Enjoyable musical games were played after which Mrs. Campbell assisted by Miss Mammie Ried served an ice course and salted nuts.

NOTICE

To all creditors and stockholders of Wilts-National Veneer Corporation, A corporation:

You and each of you are hereby notified that a voluntary petition for the reorganization of Wilts-National Veneer Corporation, a corporation, under Section 77-B of the Bankruptcy Act has been filed in the United States District Court for the Eastern District of North Carolina, Washington Division, and that by order of said court entered on the 8th day of May, 1935, said petition was approved as properly filed and said debtor, Wilts-National Veneer Corporation, was temporarily continued in possession.

You are hereby notified, in accordance with said order that a hearing will be held on Monday, the 10th day of June, 1935, at 10:00 o'clock A.M., before His Honor Judge Meekins, in the Courtroom of the Court of Commerce usually occupied by him in the Courthouse at Elizabeth City, North Carolina, or in his absence before any other judge of said court who may be hearing said cause.

(a) at which hearing the court will determine whether the said debtor shall be continued in permanent possession of its property or shall terminate such possession and appoint a trustee or trustees; and
(b) at which hearing the court shall consider the plan of reorganization proposed by the debtor herein and any other plan or reorganization which may be proposed in accordance with the terms of said Section 77-B, at which time the court may enter such order or orders as it may see fit.

You are further notified that by said order it was provided that sixty days is a reasonable time within which claims and interests of creditors and stockholders of Wilts-National Veneer Corporation, the debtor, may be filed; that all creditors and stockholders are required to file proofs of their respective claims against or interests in the debtor Wilts-National Veneer Corporation or its property on or before July 8, 1935, or be forever barred from participation in any plan of reorganization that may be proposed or confirmed in said cause. Such claims when filed shall be verified and itemized and shall set out the amount and details of the claim. In the event your claim is based upon bonds or other written instruments, such bonds or other written instruments must be filed or presented with the proof of claim, except that a certificate of the deposit of any First Mortgage 6 per cent Serial Gold Bond of the debtor and the coupons thereto pertaining with the Northern Trust Company, Chicago, Illinois, as Depository under Bondholders'

Protective Agreement dated as of March 1, 1932, may be filed or presented in lieu of such bonds and coupons. Proof of stock interests must be accompanied by the stock certificates representing such interests. All claims shall be filed with Hon. R. W. Her-

NOTICE

North Carolina, Washington County Superior Court

Annie Terrell vs. Roman Terrell.
The defendant will take notice, that an action entitled as above has been commenced in the Superior Court of Washington County by the plaintiff for an absolute divorce and for custody of a child born unto the plaintiff and defendant; the defendant will further take notice that he is required to be and appear before the Clerk of Superior Court of said county at his office in Plymouth, N. C. on or before the 8th day of July 1935, and answer or demur to the complaint which is this day filed in my office or the plaintiff will apply to the court for the relief demanded in said complaint.

This 13th day of May 1935.
J. F. AUSBON,
Deputy Clerk of Superior Court,
P. H. Bell, Atty. m17 4tw

NOTICE

North Carolina, Washington County.

Under and by virtue of a power of sale embraced in that certain deed of trust executed by Sansberry Davenport and Mary J. Davenport, his wife to the undersigned Z. V. Norman, Trustee on the 28th day of April, 1928, and recorded in the office of Register of Deeds of Washington County in Book 102, page 141, the holder of the note secured thereby having applied to said Trustee for a sale of the said land, on account of default in the payments of interest as required by said deed of trust, the said undersigned Trustee will expose at public sale to the highest bidder for cash, at the Courthouse door of Washington County, North Carolina, on the 6th day of June, 1935, at 12 o'clock noon, subject to all unpaid taxes levied against said land, the following described real estate:

A certain tract of land lying and being in Scuppernon Township, Washington County, North Carolina, and more fully described as follows: It being all that tract of land where I now live bounded on the North by J. W. Starr, on the East by Willie Oliver, on the South by Levy Spruill, on the West by Z. H. Phelps, containing about 100 acres, more or less. Except about 8 acres conveyed to Z. H. Phelps and 3 acres to Dave Norman.

The highest bidder at said sale will be required to deposit ten per cent of his bid as evidence of good faith, and to be forfeited to said Trustee for the benefit of the holder of said note in the event of non-compliance with his bid upon consummation of said sale.

This 27th day of May, 1935.
m31 4tw Z. V. NORMAN,
Trustee.

PROTECT YOUR LIFE AND THE LIVES OF OTHERS!

THERE are three questions you should ask yourself about the tires you buy:

- 1—"Will the non-skid tread give me the greatest traction and protection against skidding?"
- 2—"Are they built to give me the greatest blowout protection?"
- 3—"Without sacrificing these two important safety features will they give me longer mileage, thus making them the most economical tires I can buy?"

Answer No. 1—Harvey S. Firestone early realized the value of tire traction and safety and was the first to design an All Rubber Non-Skid Tire. Through the years Firestone has led the way in the design and development of tires with most effective non-skid treads.

Firestone does not depend solely on traction and non-skid tests made by its own engineers—it employs a leading University to make impartial tests for non-skid efficiency of its tires, and their most recent report shows that Firestone High Speed Tires stop the car 15% quicker than the best of all popular makes of tires.

Answer No. 2—Blowout protection must be built into a tire. Friction and heat within the tire is the greatest cause of blowouts. Firestone protects its tires from friction and heat by a patented process which soaks every cord and insulates every strand with pure liquid

rubber. This is an additional process known as Gum-Dipping, by which every 100 pounds of cotton cords absorb eight pounds of rubber. This extra process costs more and is not used in any other make of tire.

Leading race drivers investigate the inbuilt qualities of the tires they use, because their very lives depend upon their tires, and they always select Firestone Tires for their daring speed runs. In fact, Firestone Tires have been on the winning cars in the gruelling Indianapolis 500-mile race for fifteen consecutive years, and they were on the 5,000-pound car that Ab Jenkins drove 3,000 miles in 23 1/2 hours on the hot salt beds at Lake Bonneville, Utah, at an average speed of 127.2 miles per hour, without tire trouble of any kind. These amazing performance records are proof of the greatest blowout protection ever known.

Answer No. 3—Thousands of car owners reporting mileage records of 40,000 to 75,000 miles, is proof of the long mileage and greater economy by equipping with Firestone High Speed Tires. Let these unequalled performance records be your buying guide.

Go to the Firestone Auto Supply and Service Store or Firestone Tire Dealer and let him equip your car with Firestone Tires, the safest and most economical tires built.

Volume—Direct Purchasing—Straight Line Manufacturing and Efficient and Economical System of Distributing to our 500 Stores and to 30,000 Dealers, enables Firestone to give you greater values at lowest prices
