Ford Dealers Offer Used Car Bargains

"Ford 'R. & G.' used cars and trucks, now being offered to the public through the nation-wide Ford dealers' Used Car Clearance Sale, furnish a definite guide to buying quality," according to the Plymouth Motor Co., the local Ford dealers.

"This merchandising policy means that every used car and truck offered at our clearance sale under the 'R. & G.' emblem has been renewed and bears our guarantee," it was said.

"The policy is recognition of the fact that few used-car buyers consider themselves sufficiently expert to judge the mechanical condition of a car offered for sale. Our plan provides a reliable guide to quality backed by the integrity of our organization. The emblem is permitted to be affixed only to cars which are guaranteed to meet definite specifications. The emblem means that the car has passed a rigid inspection and measures up to standards set by the Ford Motor Company."

THE LETTER-BOX

NOTE THE AMERICAN WAY

To the Editor: Judging from your recent editorials reminds us what Jim Farley said some time back, that this was going to be a dirty campaign, you would have every one believe the millions of voters who are opposing the New Deal are all very rich people, you failed to mention the fact that Mr. Roosevelt is a rich man himself.

You list the names of a few men who contributed to the Republican campaign in Maine, but you take great care not to mention the names of those who contributed to the New Deal campaign.

I notice on the list Mr. S. Parker Gilbert, Mr. R. C. Leffingwell, both partners of J. P. Morgan Co., Mr. Walter F. Frew, and Mr. Walter Dunnington, heads of Wall Street Banks, Mr. William K. Vanderbilt, Mr. Arthur Curtis James, heads of

DR. V. H. MEWBORN Optometrist Plymouth office at Liverman Drug Co. Dates changed to Thursday after first and third Sundays of each month. Next visits: Thursday, October 8, and Thursday, October 22. Eyes Examined - Glasses Fitted Tarboro Every Saturday

big railroads all of these gentlemen contributed liberally to the New Deal campaign plus many more who are the heads of big steamship lines.

You also failed to mention the names of some of the 125 big business houses who bought more than half of the \$300,000 advertising space in the New Deal big campaign book, here are the names of just a few Cudahy Packing Co., Armour Co., Swift and Co., Wilson and Co., all big packers, also the General Motors, the Duponts, Mr. Walter P. Chrysler, the heads of big motor corporations.

The New Deal claims Republicans spent something like \$50,000 in Maine, if this is true I admit this is quite a nest egg, but a very small amount when we consider the forty-five million that various New Deal agencies spent in Maine, the records show that Coalition of Republicans and Jeffersonian Democrats turned the New Dealers out of office by something like 60,000 majority.

Vote the American way. J. C. TARKENTON.
