Learn How You Can Save with the SUPERFEX Oil Burning REFRIGERATOR

"Earns its Keep" . . . and More

You've heard about savings with modern refrigeration. Now there's a way for you to tell how much YOU could save—with a Superfex, the refrigerator with which, eleven years ago, Perfection Stove Company pioneered "modern refrigeration ANYWHERE." We would like to give you FREE a copy of the Savings Prover. With it, you can insert savings figures as they apply to your own family and learn just what Superfex would do for you. Thousands of farm homemakers have proved the economy of Superfex by long experience. Many of them, who market dairy products and other foods, say that this refrigerator not only pays for itself with its savings but actually increases earnings. Superfex costs less to operate than any other refrigerator because of several exclusive features, including burners that do 24 hours' work in two hours and then go out automatically. Come in, write or telephone for a FREE copy of the Savings Prover. See the wide choice of styles and sizes of Superfex. Free demonstration in your kitchen, if you wish.

SLEEP RESTFULLY On Hot Nights

'PIN MONEY' Delivers EITHER COMBINATION

These air conditioned sleep-makers with air vents help you to awaken refreshed and revitalized because you get more comfortable, cool sleep and rest even on the hottest summer nights. Take a fraction of your "Pin Money" and order your choice of combinations or single units.

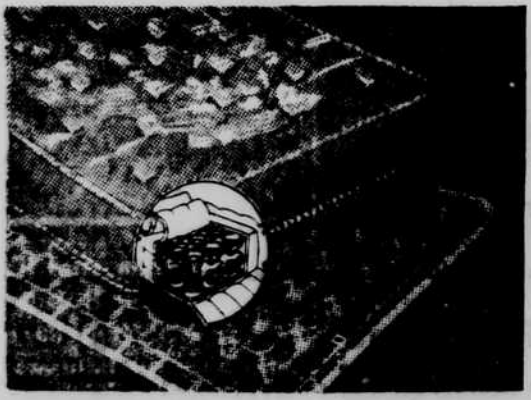

KINGSDOWN THE PERSONALITY MATTRESS

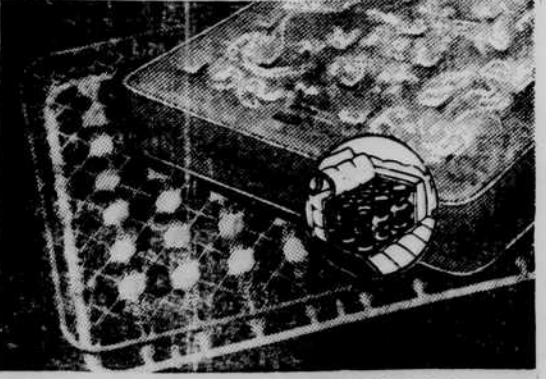

This new, deep, inner-spring mattress, studded with 240 air vents has "Comfort-Eyelets" instead of bumpy buttons and self-equalizing, trouble-free inner-coils. There's restful, comfortable sleep for tiny tots or burly adults. A custom built, highest quality mattress, with exclusive, especially fitted coils and reinforcements to prevent "caving in" of borders. Luxurious seal insulation and cotton padding prevent springs from "feeling" through. Let Kingsdown's vital comfort aid you in attaining a more radiant personality.

KINGSDOWN AMERICA'S FINEST SPRING

Aluminum finished platform discs and sliding bands add strength and comfort—gives "glass" smoothness—prevents mattress tearing. Edge may be depressed without moving next row of springs. Acclaimed by experts to have more high quality material and workmanship than any other spring in America. Built to last a lifetime. Makes any mattress sleep more comfortable.

BEACON JEWEL Double-decked springs with center wires locked to each coil to prevent sideways. Patented fastening provides smooth top and a wide range of covers. Especially tempered. Has pre-built, non-sagging border. Built for many nights of cool, comfortable sleep.

SILVER KNIGHT Platform springs with deep, double-decked coils screwed individually into position, locking each coil in place. Beautiful aluminum finish. Discs provide smooth top and prevent mattress crowding into coils.

SPRINGHEART Inner-Spring mattress in one piece unit with inner-roll edge and non-sagging pre-built border. Ventilators and Velvo-Grip handles on sides. Skilled use of steel insulation and cotton padding add extra comfort and life.

START GETTING YOUR BEAUTY BEFORE BREAKFAST SLEEP

Sleep on the 1939 Kingsdown Personality Mattress tonight—or, if you prefer, one of the other finer quality Metano-Royal Mattresses or Springs. Just a few cents—"Pin Money"—will send any combination or unit home, with balance payable on your own terms. No longer need you fret and fuss—order your new comfort and sleep maker now!

NORMAN FURNITURE CO.

Fair Enough FOR OVER 2,000,000 AMERICAN WOMEN

TOMORROW'S COOKING METHOD HERE TODAY

Electric cookery is replacing old-fashioned methods just as naturally and as obviously as electric lights replaced old-fashioned oil lamps.

The reasons, too, are obvious because modern Electric Ranges are so quick—so cool—so fast—so clean and easy to keep clean.

Like the New York World's Fair itself, modern Electric Ranges represent the last word in streamlined design and advanced construction features.

So why don't you do as over 2,000,000 other American women do, enjoy Tomorrow's cooking method Today? Ask us—or your dealer—for full details—also about the small down payment and easy monthly terms.

ELECTRIC BUILDING Be sure to visit the Electric Building sketched here when you attend the world of Tomorrow!
