Before You Buy Any Make of New Car, Wait One More Week and See the NEW FORD V-8 FOR 1941

On Display in Our Showrooms

FRIDAY, SEPTEMBER 27th

We're not permitted to divulge any of the many improvements to the 1940 Ford, which broke all sales records for any car in Washington County, but take our word for it, this 1941 Ford V-8 offers you more value for your dollar than any model Henry Ford has yet built.

Low first cost, easy terms, good trade-in allowance, economy of operation, finest performance, breath-taking beauty and comfort combine to present a few of the reasons why it will pay you to wait one more week before buying a new car. The bigger and better new Ford has them all, and you will find us easy to get along with, too. It's much better to wait than to wish you had.
