

Civilian Defense Meeting Here Set For Next Tuesday

District Representative To Show Film Dealing With All Phases of Work

Civilian Defense workers and volunteers throughout the county are invited to attend a meeting to be held in the community hall here next Tuesday, when Norman Y. Chambliss, of Rocky Mount, district field representative of the state council, will show a film dealing with the various phases of civilian defense and outline the duties expected of local volunteers.

Mr. Darden said that a few workers had volunteered during the past week, but that more were needed, and he asks all who are willing to register with the local chairman in each town of the county.

Ben Douglas, State OCD director, said this week that a Victory Day celebration in each of the 100 counties of the state was the goal of the state office of Civilian Defense, and he has asked all local chairmen to make their plans for this observance on July 4, which has been proclaimed Victory Day by Governor J. M. Broughton. Since local business houses are planning to remain open on the Fourth, however, which comes on Saturday, and to close in honor of Independence Day on Monday, the sixth, it has been suggested that the Victory Day celebration here be held on the sixth. Further announcement about this is expected next week after the meeting here Tuesday with the district OCD director.

It was announced from the state office that the American Legion and other patriotic and civic organizations will join the civilian defense organization in participating in the Victory Day observance. There will be no uniform program for the entire state, but observance in different counties will be fitted to local conditions, Mr. Douglas stated.

Vacation Schools Now in Progress In Creswell Area

Close Friday Night With Joint Program at Creswell Baptist Church

Creswell.—A Daily Vacation Bible School is being conducted at the Creswell Baptist church in the morning and at Mount Pleasant Baptist church in the evening. Much interest has been shown in the school by the young people of the two churches and a splendid attendance record is reported by the leader, Miss Nancy Stroupe, of Meredith College. The average attendance at the school in Creswell last week was 55.

Teachers for the respective departments are: Mrs. Clyde Smithson, beginners; Miss Mary Ellen Stillman, primary; Miss Nancy Stroupe, juniors; Mrs. A. C. Harris and Mrs. J. M. Phelps, intermediates. Assistant teachers are Mrs. Fred Smith, Mrs. Charlie Spruill, Mrs. Ray Powell and Miss Betty Jean Bateman.

Classes will continue through Friday of this week. At noon Friday a picnic lunch will be served at the Creswell church at 12 o'clock and another one at Mount Pleasant church at 6 p. m.

Friday evening a joint commencement program for the two churches will be presented in the Creswell church. The public is invited.

Bond Sales Fall Off at Post Office and Bank

Bond sales at the local post office and bank have fallen off considerably in the past week, it was learned today, and the county still hasn't quite sold its full quota for the month of June. However, Postmaster J. W. Darden said he expected sales to pick up the latter part of this week, as stamps are still selling well and have figured largely in being turned in for bonds lately.

Absentee Ballots For Men in Army

Men in the armed services are entitled to vote absentee in the second primary on June 27th. Walter W. White, chairman of the county board of elections reminded this week. Relatives of men in the service may secure the absentee ballots upon application to the chairman, who will mail them directly to the soldiers or sailors for whom application is made.

In the first primary, Mr. White said a total of 37 absentee ballots were mailed out, but that only 17 were returned. So far more than 20 applications have been made for absentee voting, and it is possible that more of these votes will be returned in the second primary than in the first.

Require Applying In Person To Get Sugar for Canning

Applicants Must Bring All Family's Sugar Cards To Clerk's Office

W. A. Roebuck, clerk to the Washington County Rationing Board, said today that applicants for supplementary sugar allotments to be used in canning fruits must appear in person at his office in the courthouse here in order to receive blanks for making application. Those who apply must have information as to the amount of fruits canned last year, and they must also bring the sugar ration card for every member of their families. Each of the ration-books is marked to show that a supplementary card has been issued.

So far about 75 supplemental allotments have been issued by the clerk to the board, the amounts varying from 25 to 75 pounds per family unit.

It is not necessary for applicants to appear before the entire board in order to receive sugar allotments for canning, but they must apply in person before the clerk to make application.

It is also announced that the ration books for all men called into the armed services must be surrendered to the local board as soon as possible after they leave.

Volunteer Workers Make Many Articles For Men in Service

Acknowledgement is Received for Articles Knitted by Red Cross

Mrs. J. K. Reid, production chairman for the American Red Cross in Washington County, recently reported that volunteer workers had been very busy since March, when supplies were received for making articles of clothing for men in the armed services of the United States.

It was stated that the workers had made the following garments from wool secured from Mrs. P. W. Brinkley, knitting chairman: 6 pairs Navy socks, 15 Army sleeveless sweaters, and 14 Navy sleeveless sweaters, which were shipped to Middletown, N. J., on June 2. 8 Army cap mufflers, 9 pairs Army socks, 2 pairs Army spiral socks, and 5 Army helmets, shipped directly to Fort Williams, Me.; 2 Navy watch caps, and 5 Navy turtle-neck sweaters, shipped to the Brooklyn Navy Yard, N. Y.

A card has been received from Harold B. Johnson, field director, at the Navy yard, reading as follows: "Please be advised we have received your shipment. Kindly express our thanks and appreciation to your committee and workers."

Mrs. Reid says there is now enough wool on hand to make many more needed garments for the men in the armed forces. She urges everyone who can to "do her bit" in this work, and emphasizes that making even one garment will be a big help.

Following is the list of volunteer workers who have received material for knitting from Mrs. Brinkley:

Misses Marion Brinkley, Emily Brinkley, Carolyn Brinkley, Ursula Bateman, Bessie Spruill, Clover Johnson, Francis Stillman and Carolyn Byrd and;

Mesdames P. W. Brinkley, Julian Brinkley, Leroy Bateman, Bruce Bateman, P. W. Brown, Ronald Gaylord, Louise McGowan, Minnie B. Sawyers, A. L. Owens, sr., Vance Norman, Will Satterthwaite, G. W. Harney, M. W. Norman, Eddie Gotsinger, Dwight McKnight, Rankin Ambrose, Mildred Marlin, Carol Fagan, W. B. Davenport, Bernice Hammonds, Tom Coffield, Francis Jones, Mueller, T. L. Bray, W. V. Hays, R. B. Trotman, A. J. Byrd, S. A. Ward, Allen (Pungo), Louise Doughtie Dew, Wilda Curry, Inez Williford, C. E. Ayers, Dorothy Horton, Nona Newman, W. W. Ange, sr., L. W. Zeigler, Naomi Peele, Mary Cahoon, Delma Alexander, Eddie Thomas, Phillip Davenport, John Ward, J. L. Rea, W. L. Furbee, Rosenthal, sr., A. P. Le Fever, Minnie Johnson, and Jack Thomas.

In addition, a number of girls and some boys are knitting six-inch squares that will be used in making an afghan. A complete list of these workers will be published soon; also a list of the volunteer workers in sewing and those who have knitted refuse garments. Mrs. Reid asks any who have been knitting for the armed forces who are not listed above to let her know in order that due credit may be given them.

SYMBOL OF PATRIOTISM

MINUTE MAN FLIES HIGH.—This is the new Minute Man War Bond Flag, designed by the Treasury Department for firms and organizations which attain more than 90 percent participation in War Savings Bonds purchases by their employees or members through a systematic purchase plan. The Minute Man is emblazoned in white on a blue background, surrounded by thirteen stars, representing the Nation's thirteen founding States. When companies, labor unions, and other organizations top the 90-percent figure, they will receive a special Minute Man Certificate of Award signed by Secretary Morgenthau, the State Administrator, and the State Chairman of the War Savings Staff, the Treasury Department announced. This certificate entitles the recipient to fly the flag, which is being manufactured in various sizes and is sold by licensed suppliers at a nominal price.

Wenona Young Man Will Get Airplane Mechanic Training

Henry O. Dunbar Has Completed Basic Training at Texas Field

Keesler Field, Miss.—Pvt. Henry O. Dunbar, son of Mr. and Mrs. C. E. Heynen, Wenona, N. C., was enrolled as a student this week in the country's greatest Air Corps Technical School at Keesler Field, and has started an intensive 19-week course to qualify as an airplane mechanic.

Private Dunbar, who came here from the Fort Jackson, S. C., reception center, already has completed his basic training which includes marching, target practice, gas mask and bayonet drills, and orientation lectures. At the completion of the Air Mechanics course here, he will be prepared for assignment to active line duty with some fighting unit of the Army Air Forces.

The course begins with instruction in aircraft maintenance fundamentals, and then advances to airplane structures, hydraulic systems, propellers, instruments, engines, fuel and electrical systems and engine operation. Before completing the course, the student is given thorough training in the inspection of single and multi-motored planes.

RUBBER

(Continued from Page 1)

the week, the piles of scrap rubber were growing steadily.

If plenty of scrap rubber turns up—and estimates of probable collections throughout the nation vary from 25,000 to 600,000 tons—nationwide gas rationing may be avoided; while if very little is secured in the two-week campaign gas rationing is a certainty as a method to conserve tires now on cars.

It is emphasized that this is the most important salvage effort ever undertaken in the nation. W.P.B. officials have stated that no bit of rubber is "too small, too worn, too old" to contribute—from tires, rubber bands and pencil erasers to raincoats, teething rings, girdles, suspenders and run-down rubber heels. The list of items which can be used includes the following:

Kitchen—Aprons, rubber-covered dish drainers, drain board mats, faucet sprays, sink stoppers, jar rings, dish scrapers, ice cube trays.
Bathroom—Soap dishes, drain plugs, sponges, unused shower sprays, hot water bottles syringes, ice bags, rubber bulbs from medicine droppers.

Closets—Galoshes, rubbers, tennis shoes, tennis balls, raincoats.
Nursery—Baby pants, crib pads, bibs, nipples, pacifiers, toys.
Bedroom—Rubber hair curlers, girdles, combs, dress shields, garters, suspenders, elastic tape.

The Petroleum Industry War Council which is directing the salvage drive, notified district chairmen not to accept hard rubber battery boxes and to see that metal, wood and leather was removed from articles containing rubber. In the case of leather shoes with rubber soles or heels, the rubber must be removed.

"Miscellaneous hard rubber items such as ash trays, combs, etc., are not reclaimable and in some cases while they appear to be rubber are plastic," the Council said. "Do not accept these.

"Rubber stamps should have the wood or steel removed.
"Rubber covered insulated wire is acceptable.

"All types of rubber footwear are acceptable such as overshoes, boots, tennis shoes, bathing shoes, etc. It is not necessary to trim any metal or fabric from footwear such as eyelets, zippers, etc.

"All other items should be trimmed so as not to include any metal."

We Print Everything But Dollar Bills

Statement Issued By Ben A. Sumner

It is with much regret that I observe Mr. Edward L. Owens has found cause to carry to the press and the people statements that will be misleading to the public and, for his purpose, to be of help to him and damaging to me in the second primary for the office of representative.

I was very much surprised to note in our local paper, the News and Observer, and the Daily Advance, that he has charged me with calling for a second primary to decide the office for the house of representatives, when I had advocated in the first primary that I did not feel that a second primary was necessary to decide on this or any other office, and I would not be the first to call for a second primary, as I would not put our county to the expense of a second primary. This I would not do and would concede the results of the first primary to Mr. Owens as winner.

I retained a copy of my filing under the date of June the 2nd, as follows:

To the Board of Elections, Washington County, N. C. Gentlemen:

Being the second high man in the June 30th primary for the office of representative, I do herewith ask for a second primary, subject to a second primary being called by other candidates for county office in June the 30th primary.

If no other candidates file for a

run-off, then I will ask that my request be void, as it is not my desire to put the county to an additional expense for this run off for the office of representative.

Yours very truly,
BEN A. SUMNER.

I have just called Mr. Walter White, chairman of the board of elections, by telephone, and he stated that he had not given anyone, under his name, authority to state that I was the one to file first for a second primary and put our county to the expense. My contention all through the first primary was to save our county the expense of a second primary.

My letter above is self-explanatory. It is only fair to my supporters and myself that I again run for the office of representative, since the county will have to go to the expense of deciding on the office of sheriff of Washington County.

I also note that he has published a signed statement that is trying to make an issue of Mr. Owens did, on the day of the primary, approach me at the polls at 5:30 p. m., and challenged my statement, which was in letter form to the voters of Washington County. My letter was to the effect that I did not feel that a second primary was necessary, and I would not call for a second primary, as I would not put our county to this expense, as my contention was to save the county the expense of a second primary and in no way concede the election to Mr. Owens unless a second primary was not called for by another office.

Mr. Owens tried to get the county board of elections to accept the signed statement or agreement that he personally drew up, and they would not accept it, and I will not accept this as conceding the election to him, since I am more familiar now with the full purpose he had in mind.

I am anxious that the public know these facts, and I am sure this will clear up any thought that I would mislead the public.
BEN A. SUMNER.
