Penny Wise says...
"The 'kitchen brigade' can clean up Hitler"

DON'T wash dishes under the faucet. Use good sudsy water in a pan—with a rinse of hot water. It's healthier—and thrifter. Between-plates running water is wasted water and wasted money. Remember: water power is defense power.

Save your pennies for U. S. SAVINGS STAMPS—to scour Hitler off the map. Every U. S. SAVINGS STAMP AND BOND is added energy in America's war effort.
