

Funeral Held Near Here Tuesday for Nine-Year-Old Boy

Hilliary Harrison Dies in Washington Hospital; Student Here

Hilliary Harrison, nine-year-old son of Mr. and Mrs. Howard Harrison, who live about three miles west of Plymouth on highway 64, died early Monday morning in a Washington hospital after an illness, due to a brain tumor, that lasted about a month. Death of the young boy, who was an exceptionally bright student in the second grade at the local school last year, cast a pall of sadness throughout his community.

Born in Washington County on January 21, 1933, Hilliary was an honor roll student at the school here every month, and he was very popular with his classmates and teachers. He never received a grade lower than B-plus, and during the past term he was awarded special certificates for reading and handicraft.

Funeral services were conducted from the home Tuesday afternoon by the Rev. J. M. Johnson, pastor of the local Baptist church, and interment was made in the Windley cemetery near here. J. H. Reddick, Golden Simpson, Dr. C. McGowan and Stuart Davis were active pall-bearers, while the young boy's classmates assisted with the profusion of flowers.

In addition to his parents, Howard Harrison and Mrs. Ruth Bowen Harrison, he is survived by three brothers, Harold Sylvester and Ernest Lee Harrison, and one sister, Mrs. Elton Ange, all of Plymouth. He also leaves several uncles and aunts and his grandmother, Mrs. B. F. Bowen, also of Plymouth.

Revival Planned To Begin August 22 at Zion Chapel

A revival meeting will begin Saturday night of next week, August 22, at the Zion Chapel Christian church, near Roper. The preaching will be done by the Rev. O. L. Mankamyer, of Newport News, Va., widely known for his evangelistic work. The revival will continue through the following week with services each night, and the public is cordially invited to attend.

MERCHANTS

(Continued from Page One)

composed of H. H. Allen, J. W. Norman and H. A. Williford was appointed Monday to consider and present suggestions for such a campaign.

The matter of setting up a credit reporting bureau, which has been under consideration for several months, was discussed at length and the members present voted unanimously in favor of a plan whereby active members of the bureau will pay an extra \$1 per month as dues, with the association as a whole making up any deficit which may be incurred in its operation. It was estimated that there would be 8 to 10 paying members of the credit bureau at first, and that the cost to the merchants association would not exceed \$7 or \$8 per month.

Under the credit bureau plan, a clerk will be secured to compile reports on the credit of every person who trades with local establishments. The reports are confidential and will be furnished only to paying members of the credit bureau.

In the matter of hours, it was decided that all local stores would open at 9 a. m. each morning and close at 6 p. m. each evening except Saturday, beginning Monday, August 31. The stores will continue closing at 10 p. m. on Saturdays as at present. The new hours becomes effective the Monday after the last of the Wednesday afternoon half-holidays, which come to a close on Wednesday, August 26.

Four Confederate Widows in County

The number of pensions being paid to widows of Confederate soldiers in this county has dwindled until there are only four left, it was shown by records in the office of Clerk of Court W. M. Darden this week. All of them are Class A widows of former Confederate soldiers and they receive \$25 per month each from the State Government.

The four remaining widows in this county are as follows: Mrs. Renie V. Alexander, of Creswell, widow of A. M. Alexander, formerly of the 14th Battalion of Cavalry; Mrs. Ella A. Bateman, of Plymouth, R. F. D., widow of the late Henry H. Bateman, of Company H, 17th North Carolina Regiment; Mrs. Ida S. Bateman, widow of the late J. I. Bateman, of Company G, 17th N. C. Regiment; and Mrs. Martha A. Harris, widow of the late James A. Harris, of Company K, 17th North Carolina Regiment.

Program of Services at Local Episcopal Church

Services for the Eleventh Sunday after Trinity, August 16, at Grace Episcopal Church have been scheduled as follows:

- 10 a. m. Church School;
- 11 a. m. Morning Prayer;
- 2 p. m. Junior Choir Practice;
- 8 p. m. Evening prayer and sermon by the Rev. William B. Daniels, jr.

Services of daily morning prayer will be held each week day at 10 a. m.

Young people of college age will hold their weekly meeting next Wednesday evening at 8 o'clock.

Two Mules Killed by Lightning Last Week

Corporal Tom Brown, of the State Highway Patrol, who told the Beacon about a mule being killed by lightning near Roper Wednesday last week, had a few of the facts mixed up in his report. In the first place, not one mule was killed, but two. Neither of the mules belonged to Tom Dillon and the bolt didn't hit on the R. W. Lewis farm.

One of the two mules killed belonged to J. J. Hassell, while the other one was owned by W. A. Koonce, and they were on separate farms in the Mill Pond section near Roper. A peculiar circumstance was that the lightning which killed the mules did not set either of the barns on fire where the animals were stabled.

Sister of Mrs. A. L. Owens Dies at Home in Maryland

Mrs. A. L. Owens and sons, Edward L. Owens and A. Lloyd Owens, have returned after attending the funeral of Mrs. Owens' sister, Mrs. Bessie Staton, in Cambridge, Md., Monday afternoon. Mrs. Staton died suddenly at her home in Easton, Md., Saturday afternoon after only a day's illness caused by a cardiac ailment.

Mrs. Staton had visited Mrs. Owens here on several occasions and had a number of friends locally who regret to learn of her sudden passing.

BEANS

Sam Brown, of Crossnore, largest contract bean grower in Avery County, expects to market more than 2,000 bushels of beans this season, reports Farm Agent C. B. Baird.

LOSSES

Tapeworms and typhoid are causing farmers of Pasquotank County to lose chickens in considerable number, reports Plett D. Allen, assistant farm agent of the N. C. State College Extension Service.

The lespedeza crop of Stanley County is looking unusually good, and farmers are well pleased with prospects for hay and seed this fall, reports V. A. Huneycutt, assistant farm agent.

ADMINISTRATOR'S NOTICE
Having this day qualified as administrator of the estate of Carl E. Tarkenton, deceased, late of Washington and Pasquotank Counties, North Carolina, this to notify all persons holding claims against the estate of said deceased to present them to the undersigned on or before the 2nd day of July, 1943, or this notice will be pleaded in bar of any recovery thereon. All persons indebted to said estate are requested to make immediate payment to the undersigned.
This 2nd day of July, 1942.
J. C. TARKENTON,
Administrator.

Nine Cases Tried At County Court Session Tuesday

W. B. Cox Serves at Clerk For First Time Since Appointment

There were nine cases in recorder's court Tuesday, but they were disposed of in rapid-fire order by Judge Gaylord and Solicitor Sidney A. Ward, the latter making his farewell appearance in the court before returning to Fort Bragg today to begin training in the Army. The county commissioners have made no indication thus far as to who will be appointed to succeed Mr. Ward as solicitor of the county court.

W. B. Cox made his first appearance as assistant clerk at the Tuesday session of the court, due to the absence of W. M. Darden, the regular clerk, who also left for the Army today. The war has completely disrupted the original organization of the local recorder's court. W. Blount Rodman, solicitor, was the first to go to the Army, leaving several months ago, and Sidney A. Ward was appointed to fill his place. Now Mr. Ward has gone to the Army, as well as W. M. Darden, the clerk, and Recorder W. Ronald Gaylord expects to go into some branch of the service before the end of the year.

Proceedings at the session Tuesday were as follows:
Allen Rouse entered a plea of guilty to forcible trespass and prayer for judgment was continued until September 1.

James Otis Boston and Isaiah Hill were charged with burning logging equipment and stealing gasoline. On motion of the state's attorney, Judge Gaylord entered a nolo proes over the objection of the defendants' counsel, Carl L. Bailey.

Thomas E. Dunbar, charged with drunken driving and operating a motor vehicle after his operator's license had been revoked, was fined \$100 and costs, and his license to drive was revoked for three years.

Robert J. Hardison, charged with operating a semi-trailer without brakes, plead guilty and was fined \$5 and the costs of the action.

William Cordon was fined \$5 and costs after pleading guilty to operation of a motor vehicle with improper equipment.

J. D. Downing likewise plead guilty to operating a motor vehicle without an operator's license and was fined \$5 and costs.

Dallas James also plead guilty and was fined \$5 and costs for operation of a motor vehicle without proper equipment.

James Pritchett was given 30 days on the roads, suspended upon good behavior for six months, after pleading guilty to operating a motor vehicle without proper equipment.

Revival in Progress at Lake Phelps This Week

Creswell.—The revival services, which began at the Lake Mission last week, will continue throughout this week. The Revs. Messrs. Fitts, Wilson and Davenport are assisting with the meetings.

SCRAP METAL

(Continued from Page One)

the receipts after the scrap is sold to a dealer.

It is also planned by the committee to have scrap metals picked up whenever a full truck load can be assembled at any one place. C. E. Ayers has agreed to send his truck to any place in the county to pick up scrap if a full load can be secured and delivered directly to a junk dealer at any one of a half dozen near-by towns. Mr. Ayers cannot handle it if the junk has to be reloaded or re-handled in any manner. He said that about seven or eight tons would make a truck load.

Local civic organizations throughout the county will be called on to assist in the drive, according to the local co-chairmen. In addition to scrap iron and steel, materials to be collected are brass and other non-ferrous metals, rubber, rope and fats.

The county salvage committee is composed of the following: Plymouth: H. H. McLean and W. V. Hays, co-chairmen; B. G. Campbell, Miller Warren, P. W. Brown, E. E. Harrell, Mrs. W. J. Highsmith, Mrs. B. G. Campbell, Mrs. Frances M. Darden; Rev. B. E. Taylor, R. L. Tetterton, Mrs. J. B. Willoughby, J. H. Newkirk, W. H. Hooker, Mrs. J. K. Reid, J. L. Knowles, R. B. Trotman, Clyde Hardison, Betty Lloyd and Lillie Mae Moore; Roper: H. S. Everett and Charles Floyd; Creswell: C. N. Davenport, sr., and A. H. Tucker.

In appealing for everyone to help, the co-chairmen issued the following statement:

"An increasing number of boys from the county are already seeing active service. We on the home front must see to it that industry shall not lack the materials needed for adequately arming and equipping them.

"Every housewife can play an important part in this drive. She should carefully inspect all of her house furnishings—to find out what equipment she has that has outlived its usefulness.

"An old iron pot or a knife in the kitchen, the steel springs of an old upholstered chair in the attic, some discarded pipe or heating equipment in the cellar, unused wire clothes hangers in a closet—these are a few of the items that will provide pounds and pounds of scrap.

"Waste kitchen pots, and rubber, are also needed badly and should be turned in.

"Please get out this scrap—and get in the scrap."

Rev. W. B. Daniels, Jr.,
Will Preach at Roper

The Rev. William B. Daniels, jr., minister in charge of Grace Church Plymouth, and St. Luke's, Roper, will hold a service of morning prayer and deliver the sermon at the Roper church Sunday morning, August 16, at 11 o'clock.

Young people of St. Luke's Roper, are requested to meet at the church at 3 o'clock Sunday afternoon to continue with plans for organization of a young people's service league.

PEANUTS

(Continued from Page One)

In line with this change, he said, provisions this year call for issuance of only one marketing card to each peanut producer. This simplified form will serve for keeping records of disposition of peanuts and will provide for marketing of an amount of peanuts equal to the normal yield of a farm's acreage allotment. If it is later determined that the actual production is greater, a quota adjustment may be obtained from the county AAA committee. Peanuts sold in excess of the marketing quota are subject to a penalty of three cents per pound.

These regulations apply only to peanuts sold for human consumption.

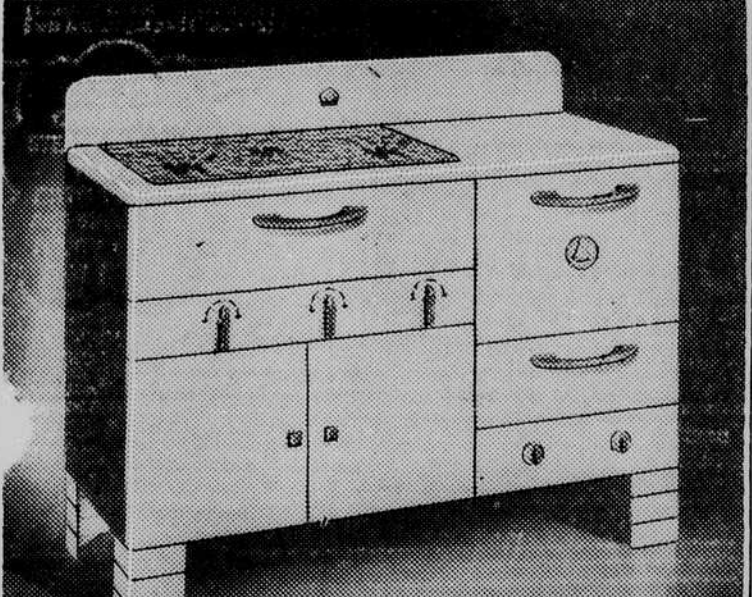

tion, such as peanut butter, candy, and prepared nuts. Penalties are not applied to peanuts grown for crushing into oil.

Another change in the regulations this year, he said, is placing under market quota regulations peanuts picked by hand. In the past, only peanuts picked by mechanical means were subject to quota regulations.

The national acreage of peanuts this year is about 4,800,000 acres, more than in any past year. The large increase in acreage was asked by the federal government to meet wartime needs for vegetable oils, and to replace supplies formerly imported from the Far East.
