**A PICTURE**  
Of Every Washington County Man In the Military Services

We are proud of our men who are now serving in the armed forces of our nation, and as a token of our interest in them we want a picture—any kind or size—of these men to be mounted and displayed in our show windows, beginning next Monday, October 5. We want pictures of every man whose home is in Washington County and who is in the Army, Navy, Marine Corps, or Coast Guard Service.

**Military Service Plaque FREE!**

Beginning Monday, October 5, to every Mother or Father of a son in service who brings a picture (any size or kind) of their son to us to display in our window, we will give absolutely free, without any obligation, a Military Service Plaque. This plaque is a beautifully designed, glass-framed emblem, with radium background that glows in the dark—beautiful both day and night.

We will display all the pictures you bring in our show window, with rank and identity of the men in Service, and the picture will be returned to you when our display comes to a close.
