... To Furnish Homes That Will Please Their Husbands

★ ★ ★ ★

And we have just the furniture and furnishings they need—while the total cost will be much less than you think.

Right now, when you can no longer spend money for automobiles, tires and gallivanting around, it is a good time to buy those home furnishings you have been putting off all these years. It will make your home more comfortable, more livable, at a time when you spend more time at home.

If you pay cash, your savings will be greater, which means you will have that much more to put into War Savings Bonds and Stamps.
