

Hugh Fagan Jordan Gets His Wings at School in Georgia

Dardens Youth Now Returns to West Point for Graduation in 1943

Spence Field, Ga.—Hugh Fagan Jordan, 23, of Dardens, received his silver wings and the rating of "Pilot" at graduation exercises held at this advanced flying school last Friday. He now returns to the United States Military Academy at West Point, where he will be graduated early in 1943.

Cadet Jordan, son of Mr. and Mrs. J. Frank Jordan, of Dardens, was graduated from the Plymouth High School in 1936. He has been active in wrestling, skeet and cross-country while at the flying school.

Addressing the largest class yet to graduate from the Advanced Flying School at Spence Field, Major General Ralph Royce, commanding the Army Air Forces Southeast Training Center, said: "Don't underestimate the enemy. The Jap is tough, and the German is tough with more brains."

"From now on you are members of a team," the General told the graduates. "You will be operating in flights, squadrons or groups, not individually. Get to know the other members of the team, the men who fly and the service men, and you will make the team a better one."

Introducing the General, Colonel Y. H. Taylor, Post Commanding Officer, told briefly how General Royce was awarded the D. S. C. for leading the bombing raid last spring on Jap-held bases in the Philippines. The graduates received their diplomas from the General and their silver wings from the Colonel, and congratulations from both. Capt. Claude Ennis, Asst. Post Chaplain, pronounced the invocation and benediction.

Home for the Holidays

Misses Mary Elizabeth Bray and Mary Lillian Campbell have arrived at their homes here to spend the Christmas holidays. They were in school at Salem College, Winston-Salem.

Vestry Elected for Coming Year at Episcopal Church

Reports Also Made for Past Year at Congregational Meeting Monday

In a congregational meeting held last Monday night, members of Grace Episcopal church elected the following men to serve on the vestry for the year 1943: T. W. Earle, D. J. Brinkley, R. A. Duvall, P. Bruce Bateman, C. E. Avers, Zeno Lyon, H. A. Williford, Dr. Alban Papineau, Lloyd Gilbert and Robert S. Martin. J. H. Leggett, Arthur Vail, R. A. Williford, W. Blount Rodman, Sidney A. Ward and Jack Owens were elected honorary vestrymen.

Reports from the church school, the churchyard fund, the Young People's Service League, the woman's auxiliary, and the vestry indicated that all parish organizations had functioned efficiently during the past year and that plans for the forthcoming year of activities had been made. A report of the financial condition of the parish given by D. J. Brinkley, treasurer, showed that all obligations had been paid promptly and that a small balance was on hand with which to begin work for the year 1943. Mr. Brinkley stressed in his report the need for increased giving during the coming year to compensate for the payments formerly made by men who are now serving in the armed forces.

Plans were made for the organization of another branch of the woman's auxiliary, which is to be known as St. Mary's Guild.

Announcement was made of the publication of a pictorial portfolio by the vestry which demonstrates in a vivid manner the life and activities of Grace Church and the church at large. Orders for copies of this portfolio may be given to Miss Rebecca Ward and a nominal charge will be made.

Special Music At Methodist Church

Rev. O. L. HARDWICK, Pastor
The Methodist choir will sing two Christmas anthems Sunday morning, the first being "Arise, Shine," by Maker, and the other being "O Come To My Heart, Lord Jesus," by Ambrose.

Miss Kathryn Midgett is to sing a solo, "The Birthday of a King," by Neidlinger.

A brief Christmas message will be delivered by the pastor.

For the evening worship, at 7:30, the junior choir will sing at least two Christmas anthems, and have a Christmas manger.

The Sunday school program will be given Wednesday evening, at which time Santa Claus will be present to give gifts to the children.

9-Year-Old Shot by Playmate Saturday

At last reports, the condition of Hugh Nash, 9-year-old son of Mr. and Mrs. S. J. Nash, of the Little Richmond village near here, who was shot by a playmate last Saturday night, was reported to be favorable; and, barring complications, he is expected to recover.

The young boy was shot by Billie Davenport, aged 6, son of Mr. and Mrs. Raymond Davenport, who also lives at Little Richmond. The bullet from a .22 calibre Winchester automatic rifle entered the little Nash boy's chest, just above the heart, and went through his body. He was brought here for first-aid treatment following the shooting and later carried to a Washington hospital.

Dr. A. Papineau Is Speaker at Recent P. T. A. Meet Here

Cites Advancement Made by Medical Science in Past Fifty Years

The Plymouth Parent-Teacher Association had a splendid attendance at its regular meeting in the high school here Wednesday evening of last week. An encouraging sign to officials of the organization was the presence of several fathers at the meeting.

Dr. A. Papineau, principal speaker of the evening, gave some interesting facts about the advancement that medical science has made in the past 50 years in the diagnosis and treatment of disease. He stressed the importance of early diagnosis and prevention of disease by inoculation. "Vitamins in concentrated form do not take the place of an adequate diet," the physician stated. "Milk, fruits, whole grains, vegetables and meat will supply these in the best form, but in cases of marked vitamin deficiency, concentrated vitamins are a necessary treatment," he concluded.

Mrs. W. V. Hays, the president, stated that the P. T. A. membership envelopes, which were distributed by the grade mothers, should be returned to the teachers with either donations or membership dues. The money thus raised will be used to augment the paint fund. Grade mothers for several rooms reported money raised for this project.

A prize of \$1 will be given to the room having the best attendance at the January meeting of the association.

Principal R. B. Trotman reported that several rooms had been painted in the primary school building. Better lighting has been effected by the use of light colors, and enthusiasm is higher among the children in the rooms painted, he said.

Christmas Services For Episcopalians

The midnight service on Christmas Eve will be the main service of Christmas week for Grace Episcopal church, according to an announcement by the Rev. William B. Daniels, jr., minister in charge. This service will begin at 11:30 p. m. Christmas Eve, Thursday, December 24.

A second service for Christmas Day has been scheduled and will be a twilight service held at 5:30 in the afternoon. This is to be a brief meditative service of Evening Prayer and carols.

The annual Sunday school Christmas Festival will be held Wednesday, December 23, at 6 o'clock in the afternoon. A special program of music and stories has been arranged for this service. The junior choir will sing at this time.

A complete outline of the Christmas week services is given as follows:
Sunday school festival, Wednesday, 6 p. m.
Midnight service, Christmas Eve, 11:30 p. m.
Twilight service, Christmas Day, 5:30 p. m.

Services for the fourth Sunday in Advent, December 20, and for the first Sunday after Christmas Day, December 27, will be as usual, with church school at 10 a. m., morning prayer at 11 a. m., and evening prayer at 8 p. m.

May Volunteer for Navy, Coast Guard

The local draft was advised yesterday that it is still possible for men between the ages of 18 and 38 to volunteer for service in the Navy, Coast Guard or Marine Corps, provided application is made through

the selective service board. Those wishing to volunteer must apply to their local board, who will issue papers which are to be taken to the nearest Navy, Coast Guard or Marine recruiting station, as the case may be, where final examination will be made.

Such volunteers must pay their own expenses to and from the recruiting station, and in the event they are rejected by the branch of

service to which they apply, they are classed as 1-A by the local board and are subject to induction in the Army. It was stated that it is no longer necessary for boys of 18 and 19 to have their parents' permission to volunteer for service in any branch of the armed forces.

An average home burns enough fuel oil in a year to drive a destroyer 50 miles.
