The first number was a special arrangement of "Silent Night, Holy Night," sung by the children in an adjoining room and accompanied by Fanny Lou Winslow with the Bells.

The closing number of "Jingle Bells" was also accompanied with the Bells and proved quite a climax to the program, as Santa Claus made his appearance at this time around the Christmas tree which was in the sun parlor.

The tree was surrounded by a snow scene with a miniature village lighted up and made an effective background for the piano. Santa distributed filled stockings to all the children after which Mrs. Sumner served a sweet course and pop corn balls to the guests. The house was beautifully decorated with Christmas evergreens and red poinsettias and lighted entirely by candle light.

The children taking part in the program were Betty Beam, Pat Hammonds, Rosa Mae Crowder, Ellen Goode Winslow, Mary Shephard Hammonds, Fanny Lou Winslow, Jack Frank, and Matt White Norman.

About thirty guests enjoyed the party with the children.

## IMPORTANT NOTICE TO THE PUBLIC:

Due to the increasing cost of supplies and practically everything used in the practice of medicine, the undersigned physicians of Plymouth regret to announce they will be forced to increase their fees for medical service, on and after January 1, 1943, as follows:

House calls during the day, \$3;  
 Night calls (between the hours of 9 p. m. and 8 a. m.), \$5;  
 Obstetrical cases (cash), \$50.

The above scale of fees applies within the city limits of Plymouth, and mileage will be added in cases outside this area.

Our reluctance to raise our fees can best be understood when we say it is the first increase to be made effective here in more than 20 years. We trust our friends and patrons understand that we have no alternative under existing circumstances.

## THIS IS ONE CHRISTMAS FOR SENTIMENT

This is the time to be with loved ones—to clasp hands and renew our pledges of friendship—to be frankly sentimental.

This is Christmas, and at no other time in the year do warm feelings and fond words seem more fitting.

★

As we near the close of 1942, and start upon the sixth year of our business here in Plymouth, we pause to extend our sincere thanks and appreciation to the people of Washington County who have been most liberal in their patronage of our firm.

It is true that our automobile service has been handicapped severely during the year just past by priorities and other emergency regulations made necessary by the war. However, we have never, for one moment, lost confidence in our product or in Washington County as a place to do business. We enter a new year in the hope that conditions will improve, and we assure you that we will be right here at the same old stand giving you the best service of which we are capable just as long as possible.

May we express the hope that this will be your merriest Christmas, happiest new year, and that we will continue to be favored with your patronage for many years to come.

# Greetings

To you and yours at this Christmas season, we would extend our most sincere wishes for happiness—happiness that lasts, not merely through the holiday season but that continues throughout the year of 1943.

We would like also at this time to express our thanks for the patronage you have shown us during the year just past and we hope to continue serving you in the future.

## PEACE

will come again

THE GREATEST gift that can come to any person, any people, this Christmas is the heartfelt belief that Peace will come again.

Not the peace of complacency, compromise or appeasement, but the justly earned Peace of those who truly believe and are willing to fight for their faith in the good, the generous, the kindly way of life.

The evil shall be swept from the earth, drowned in that very misery they have brought down upon their fellowmen, and the good shall arise from their suffering.

Peace will come again . . . beyond languages, beyond creeds, beyond boundaries.
