## Lions Win First Two Games From Firemen

Take Monday and Tuesday Tilts by Scores of 7-6 and 7-5

The Lions Club got away to a commanding lead over the firemen in the "Little World Serious" by winning the first two games this week. Monday afternoon, the two teams played on fairly even terms, with the Lions nosing out, 7 to 6. Tuesday afternoon's game was a little more one-sided than the 7-5 score indicates, as the firemen seriously threatened only one time. That was when "P.D." Allen's one-handed stab of Eddie Getsinger's line drove to center with the bases drunk averted Lion disaster by a very skimpy margin indeed.

Monday's game was an errorless affair, and the hits were evenly divided, 9-9. Durand Keel racked up his fifth straight win as hurler for the Lions, and on Tuesday made it six in a row by winning again. In the Tuesday game, the firemen were out-hit, 4 to 11, according to the score card. Two more games are carded this week, one Wednesday afternoon and the other Thursday, with the final three games to be played Monday, Tuesday and Wednesday of next week, according to present plans.

Nyal Womble was the leading hitter Monday, getting three for three. Horner and Hall got two apiece for the Lions, while Leggett and Stynons did likewise for the firemen. Chapin counted the winning run in the sixth by poling out a three-bagger and registering on Keel's single.

Keel led the hitting Tuesday, with a perfect day, getting three for three times at bat. Horner and Brown collected two each, while no fireman got more than one. Incidentally, one of "Chief" Brown's hits should

## Many Stars Here In "Two Girls, Sailor"

"Two Girls and a Sailor," the new musical which plays at the Plymouth Theatre today and tomorrow, August 31-September 1, is one of those rare films about which a reviewer need not hesitate to use all the superlatives in the dictionary.

It's one of the best musicals of this or any other season. Half-a-dozen stars bring it to exciting screen life under the superb direction of Richard Thorpe and just as superb production by Joseph Pasternak.

Here are Van Johnson, June Allyson and Gloria De Haven, fast on their way to stardom, as the sailor and the two girls he mysteriously befriends by setting up an entire servicemen's canteen for them and, what is more, falling in love first with one and then with the other.

The picture brings Jimmy Durante back to the screen, and that is great news indeed! Jimmy, the "Schnozz" himself, is in rare form as he portrays a retired, exvaudevillian who has lost confidence in himself and fears to attempt a comeback. Jimmy, who's "never been away," as the saying goes, really puts on a show, including his celebrated "Inka Dinka Doo."

Then there are Lena Horne, one of the top singers of the day; Gracie Allen, whose One Finger Piano Concerto will bring howls of delight; Virginia O'Brien, the dead-pan singer; Jose Iturbi, who plays a mean piano, and Harry James and Xavier Cugat and their orchestras—nuff said!

You'll love the songs, including "In a Moment of Madness," "Sweet and Lovely," "Granada," "Take It Easy," "Young Man With a Horn" and "A Love Like Ours," among many others. Special mention must be made of the beautiful dream sequence in which Van Johnson is seen as an admiral and Jimmy Durante in various guises befitting his versatility and rare talents.

"Two Girls and a Sailor" is recommended for everyone, big and little, young and old. It is entertainment with a capital "E" from start to finish. Put "Two Girls and a Sailor" on your "must" list.

Careful—Don't Try This! Don't give away, sell or destroy that coal or wood burning equipment you have just in order to get a fuel oil ration, because OPA has authorized local rationing boards to withhold the ration under such circumstances.

AT LOCAL THEATRE THURSDAY-FRIDAY

"Just like old times" captures Jimmy Durante in "Two Girls and a Sailor" at the Plymouth Theatre today and tomorrow, Thursday, August 31 and Friday, September 1.

## All-Stars To Play Suffolk Aces Here Sunday and Monday

Local Outfit Defeated Oakleaf Giants, 6 to 5, Last Sunday

The Plymouth All-Stars defeated the Oakleaf Giants, of Oakleaf Park, Va., here last Sunday in one of the closest and most exciting games of the season, the score being 6 to 5 in favor of the home team.

Trailing, the All-Stars came into the last of the seventh inning on the wrong end of a 5 to 0 score. The local aggregation managed to put over two runs in that frame and added four more in the eighth to win the game. The visitors threatened in the ninth, when the first man up hit safely, but the next three went out in order to make the big crowd of home fans happy.

The All-Stars were scheduled to play the strong Camp Butler outfit Sunday, but at the last minute notice was received that the Army team would not be able to get here. In order not to disappoint the large crowd expected, the management of the All-Stars got busy and secured the Oakleaf team as a substitute.

Games will be played at the Pulp Mill Ball Park here Sunday and Monday with the Suffolk Aces, another strong aggregation. Both the Sunday and Labor Day games will start at 4 p. m. The public is urged to attend both games.

Garland Woolard, 94; E. H. Liverman, 96; W. A. Davidson, 98; H. E. Beam, 85; Dr. McCowan, 95; Jack Booker, 101; J. W. Watts, 95; N. C. Green, 101; and Jack Manning, 113. E. J. Spruill has also entered the tournament, but has played only nine holes so far.

## Players Have Through September 10 To Play Qualitying Rounds

Jimmy Kinnear, pro at the Country Club of Plymouth, said yesterday he was somewhat disappointed at the slow start of the annual championship tournament. Up to that time, there were only 20 entries, while it was hoped that at least sufficient entries would be received to round out four full flights of eight each.

The response by local golfers has been particularly disappointing. Up to yesterday, there were only 19 entries, and 10 of them were from out of town. Entrants have two more week-ends, through September 10, to play the 27-hole qualitying round, and it is hoped more Plymouth golfers will enter by then. It is not necessary to play the entire 27 holes in one day, under the rules, but they may be played at the players' convenience any time before September 11.

Of the 19 entered, up to yesterday, seven had completed qualifying play, and 10 others had turned in scores for 18 holes. Jimmy Johnston, of Washington, turned in the lowest score so far, 122, and C. G. Crockett, of Williamston, is second with 128.

Following are the list of qualifiers and scores: Ray H. Goodmon, defending champion, not required to qualify; C. G. Crockett, 128; J. R. Manning, 133; Jimmy Johnston, 122; Fred Potts, 140; Bill Woolard, 136; J. C. Swain, 151; and Wheeler Martin, 145.

Those who have entered and played 18 holes to date, with their scores, are as follows: Clyde Hardison, 93;
