Dallas Hugh Lilley, 16, Broke Neck in Two Places by Dive Into Shallow Water July 31

Dallas Hugh Lilley, 16-year-old Martin County boy, died in a Washington hospital last Friday morning from injuries received when he dived into shallow water at Albemarle Beach, near Plymouth, on Sunday, July 31,

His neck broken in two places. the youth was paralyzed from the shoulders down, but was conscious until a few minutes before he died. He was the son of Arthur Lilley and the late Carrie Coltrain Lilley and lived with his grandparents, Mr. and Mrs. Ed Lilley, in Williams Township, for most of his life, attending school at Jamesville.

Explaining to his neighborhood friends that he would be 16 years old the next day and that he wanted to celebrate his birthday, the youth got a couple of his friends to take him to the beach Sunday before last. Walking out on the pier, one of the three boys jumped Hunting Licenses off one side into fairly deep water. Despite warning signs, Lilley jumped off the other side, where the water was shallow.

The third boy, who did not jump, saw his friend hit the bottom and helped get him back on the pier. An ambulance was called, and the
