

To Hang a Skirt.

An easy way to hang a skirt by oneself is to put a piece of chalk in the opening of the dining table and push the table together so as to hold the chalk firmly. Then with the skirt on turn slowly around, chalking the skirt as you turn. This done, take the skirt off and with a yardstick mark off the same number of inches below the chalk line that you desire it to be. If carefully done you will have a beautifully hung skirt.

Red Cedar.

Red cedar chests, in which supplies of all kinds can be stored, but which are especially useful for things that moth like, can be bought in the shape of window seats. With a few cushions they are made into a part of any room where they are placed. These chests are bound with brass and are made with good locks.

ACT QUICKLY

Delay Has Been Dangerous In Brevard.

Do the right thing at the right time.

Act quickly in time of danger. In time of kidney danger Doan's Kidney Pills are most effective.

Plenty of evidence of their worth. J. C. Allen, Killian St., Waynesville, N. C. says: "My kidney trouble was brought on by a fall. Pains started in my back, under my shoulders, and extended down into the small of my back. It was often impossible for me to get around unless I had help and I laid off from work for two weeks at a time. One box of Doan's Kidney Pills has always been enough to remove the pains in my back and put me on my feet again in good shape."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Allen had. Foster-Milburn Co., Props., Buffalo, N. Y.

Beware of Ointments for Catarrh that Contain Mercury

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is 100 fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

How Would You Like This Garden Set For Yours?

THE GARDENER AT REST.

PICTURESQUENESS can go no further than this Chinese garment of canary yellow linen, hand embroidered in squares of golden brown and jade green. A square linen hat takes the same design, and oriental tassels adorn the bandbox of a garden basket.

At the Window

WHEN Christmas time is pretty near, if we're good girls an' boys,
 Our mothers take us up the street an' let us see the toys,
 An' we forget that it is cold an' that our clothes is thin
 An' think we're mighty lucky just to stand there lookin' in.
 If we could only have our wish I guess that we would pray
 To have some angel come some night an' take that glass away,
 An' it would pay the angel, too, to see the mothers smile
 If we could play with all those toys for just a little while.

Some day when we are all grown up an' rich as we can be,
 If Santa Claus would just bring things like those in there to me—
 An' for awhile it seems almost as if he really had,
 An' then I 'member that he ain't, an', my, it makes me sad!
 Some day when we are all grown up an' rich as we can be
 We're goin' to buy a store like that, an' when kids come to see
 The things inside we'll let 'em in to help themselves to toys.
 An', my, we know what that will mean to little girls an' boys!
 —James J. Montague in New York American.

Christmastide

THE blasts of winter are fierce and cold,
 The snow lies deep over hill and dale,
 But a star shines bright through the deepening gloom—
 Room for the Christ Child, room!
 Where man's distrust and his greed for gain
 Have frozen the floods of tender rain
 Till never a flower of hope can bloom—
 Room for the Christ Child, room!
 In homes that deepest griefs have borne,
 'Mid silent forms of those that mourn,
 In the shadows that gather around the tomb—
 Room for the Christ Child, room!
 Where nations are warring, life for life,
 And a cry rings out from the fearful strife
 As a dying people sinks to its doom—
 Room for the Christ Child, room!
 Room for the shepherds of Bethlehem,
 Room for the angels who sang to them,
 Room for the light in the wintry gloom—
 Room for the Christ Child, room!
