

### Colored People Delighted With New Discovery To Bleach The Skin

Atlanta, Ga.—Says that recent tests have proven without doubt that swarthy or sallow complexions can be made light by a new treatment recently discovered by a man in Atlanta. Just ask your druggist for Cocotone Skin Whitener. People who have used it are amazed at its wonderful effect. Rid your face of that awful dark color or greasy appearance in a few minutes. It costs so little that you can't afford to be without it. Just think how much prettier you would look with that old dark skin gone and new, soft, light skin in its place. Men and women today must care for their complexions to enter society.

If your druggist will not supply you with Cocotone Skin Whitener, send 25c for a large package to Cocotone Co., Atlanta, Ga.—Adv.

**You Who Build for Investment**

### MRS. J. W. GLAZENER DIES FOLLOWING CHILD BIRTH

Mrs. J. W. Glazener died at her home in Rosman on Thursday of last week. A son was born to her on the morning of the same day, and her death followed in a few hours. She was 31 years of age.

Mrs. Glazener, who before her marriage was Miss Florence Olivia Whitmore, was widely known in the county as a teacher in the public schools. Since girlhood she had been a member of Zion Baptist church at Rosman. Her marriage to J. W. Glazener took place about five years ago, and their home has been since in Rosman, where Mr. Glazener has charge of O. L. Erwin's store. She was a daughter of E. M. Whitmore of Rosman, and besides her parents she is survived by her sisters, Mrs. Laura Sigmond, Misses Beulah, Kazzie and Hassie Whitmore, and her brothers, Jordan and Walter Whitmore, all of Rosman.

Funeral services were held at Mount Moriah church near Calvert, conducted by Rev. T. C. King of Horse Shoe.

The infant son of Mrs. Glazener, and her only child, has been taken into the kindly care of Mr. Glazener's sister, Mrs. Leo Hogged, of Calvert.

### GLADE CREEK PEBBLES

Mr. and Mrs. James Cox visited friends and relatives on Little River last week.

Mr. and Mrs. Jerry McCall spent Sunday with Mr. and Mrs. Will Collins.

Mr. and Mrs. Henry Orr of Brevard were in this section recently.

Mrs. Columbus Lyday and daughter, Mary, spent the week-end with Mrs. Sam Orr and John Lyday.

Vernon Smithers and family of Bollston are spending a few days at Glade creek and Pisgah Forest.

Mr. and Mrs. Carl Merrell and father of Little River spent Saturday night and Sunday with Raleigh Capps.

Prayer meeting was held at Rev. McCall's Sunday afternoon.

Gardens and crops are looking better since the recent rain.

Misses Marie and Garnet Lyday of Penrose visited at John Lyday's one day last week.

### BREVARD INSTITUTE NOTES

Miss Mabel Wells, who was assistant music teacher two years ago, and Miss Grace Howard, bookkeeper at the same time, are back for commencement; also, Miss Annie Patterson, who had charge of the art department the first term of the current year, and had to leave on account of ill health.

Other visitors not recorded last week, are: Misses Maythorn and Lucille Reeves, Miss Grace Ferguson, Mrs. L. D. Lilly, Miss Alva Queen, Messrs W. C. and H. Hines, Nicks Hamrick, Almaron and Claude McCrow, Peyton McSwain.

Mrs. L. M. Jarvis of Newbern is visiting her daughter, Miss Magdalene Parham, who is a graduate of the music department this year.

Most of the students left Thursday morning but a number remained for the summer school.

Prof. and Mrs. L. B. Haynes, who will have charge of the summer school, are expected May 31.

### BUSINESS MEN PROTEST AGAINST TRAIN SCHEDULES

At a meeting of representative citizens in the Brevard Club rooms Monday night, T. H. Shipman voiced the general dissatisfaction over the proposed continuation of the railroad winter schedule through the summer and suggested an appeal to the railway officials in Washington. It was decided by those present to send a telegram to the officials and to ask business men over the county to co-operate in the movement by writing letters to the company's office in Washington urging the need of a fuller schedule on the Transylvania division during the summer.

The Brevard Club has also decided to send telegrams asking for an increase in the number of trains.

### \$14,240 FOREST FIRES IN COUNTY LAST YEAR

Geological and Economic Survey of State Gives Results of 45 Fires in Transylvania during Past Year.

(By Dr. Joseph Hyde Pratt, State Geologist.)

The reports on forest fires during 1916 for the various townships of Transylvania county have recently been received and compiled by the state forester.

Ten correspondents replied from 6 townships, who reported 45 fires, which burned over 3,750 acres. It is estimated that 300,000 feet of merchantable timber were destroyed, valued at \$1,200; that 2,325 acres of young growth were burned over, valued at \$6,500. Other products and improvements destroyed by these fires, such as cordwood, lumber, fences, barns, etc., amounted to \$6,000. The total estimated loss reported from these fires was \$14,240. It is estimated that about \$540 was spent in an effort to extinguish these fires.

A study of the causes of these fires shows that 4 were set by burning brush, 3 by hunters, 5 by railroads, 10 by lumbering camps, 8 incendiary, 7 of unknown origin, and 8 not specified.

The people of Transylvania county cannot be indifferent to such losses, especially when those best informed upon the matter claim that most of these fires could have been prevented by proper measures.

When it is realized that one of the state's chief assets is her forests and that many of her principal industries are dependent upon the products of these forests, the jeopardizing not only of our present timber supply but also of our future supplies becomes a very serious matter.

The establishment of an effective system of forest fire patrol by the state would do much toward eliminating the waste and, in view of the fact that fires do not recognize county or township lines, such a system should be under state supervision. It is hoped that the people of Transylvania county will become aroused to this situation and see to it that their representatives in the next legislature are alive to the importance of this question.

### BREVARD BUSINESS PROPERTY PASSES INTO NEW HANDS

J. A. Miller disposed of a considerable amount of his town property this week through the agency of W. P. Whitmore of Hendersonville.

The lot known as the McCall place in South Brevard was sold to T. H. Shipman.

A lot adjoining the store lot of Cox & Kilpatrick, was sold to Welch Galloway.

Part of the building known as the J. A. Miller block—43 feet front on Main street, including the store rooms of T. M. Mitchell and the Ross Cafe—has passed into the hands of A. M. Verdery and others.

The building on North Caldwell street, recently housing Merrill's garage, was bought by the Farmer's Supply company and will be used by them as a warehouse.

### CALOMEL DYNAMITES A SLUGGISH LIVER

Crashes Into Sour Bile, Making You Sick and You Lose a Day's Work.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a 50 cent bottle of Dodson's Liver Tonic, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tonic you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.—Advertisement.

### MOBILIZING ALL AVAILABLE LABOR

FOOD CONSERVATION COMMISSION IS ROUNDING UP LABORERS FOR FARMERS.

### OVERCOME GREAT HANDICAP

Mr. Lucas Says Men and Boys Who Work on Farms Render Nation a Great Service.

Raleigh.—The mobilization of the labor available in the cities and towns of North Carolina for the benefit of the farmers who are suffering for lack of labor is the latest movement in the campaign being waged by the North Carolina Food Conservation Commission for increased production of food and feedstuffs in this state.

One of the greatest handicaps to be overcome if the state is to very greatly increase its acreage and production of food and feedstuffs is the labor shortage that exists on the farms of very nearly every county in North Carolina, according to a statement by John Paul Lucas, executive secretary of the State Food Conservation Commission. Mr. Lucas emphasizes the point that a man or boy who is able to work on a farm can render the nation just as valuable service on a farm as he can in the training camp or in the trenches. "Provisions are just as important as men and the more provisions we send abroad the fewer men and the less blood this war will cost us," declared Mr. Lucas. "President Wilson and other high officials have laid great stress on this point and the fact that labor employed in agricultural pursuits will not be drafted for military service is evidence that Congress looks upon the matter in the same light."

"Many of our people have not realized how very serious is the food situation in this section. We have been solemnly warned time and time again that we must not depend upon the west and other sections for the tremendous amounts of food and feedstuffs we have been importing, the total for North Carolina last year costing us the sum of \$30,000,000, while at present prices it would have cost \$175,000,000 or more. When it is too late to plant it will be too late to realize. Even those who are not particularly alarmed should realize the truth of the old adage that it is better to be safe than sorry."

"To offset the needs of thousands of farmers who require help and who could hardly increase their production of food and feedstuffs there are thousands of men and boys who could be spared from our towns and cities. In every town and city in the state there are young men just returning from college and high schools and other boys and men who at present are either idle, partially employed or employed at work they can readily drop for awhile for the more important work of producing food and feedstuffs. Let these men and boys volunteer for this patriotic service. The work may be hard and the pay seem small, but boys in uniform are working hard too and their pay is small—and in addition to that they are offering their very lives. Now let those who remain at home and are available for service volunteer their services—Don't be a slacker."

The county farm demonstration agents throughout the state have lists of those farmers who are needing extra labor. Men and boys who are willing to serve their country in this capacity should get in touch with these agents, or with the Food Conservation Commission of their county, or write to the State Food Conservation Commission at Raleigh.

### Pender Defeats Stock Law.

Henderson.—The board of county commissioners met here to receive and canvass the returns of the stock law election held last Saturday. Official and unofficial returns gave the vote as follows: For stock law, 153; against stock law, 352.

### Did Not Buy Votes For Britt.

Asheville.—Den W. Hill, chairman of the Buncombe County Republican Executive Committee, took the stand at the hearing in the rebuttal of James J. Britt to testimony of Congressman Weaver, and declared that he had never given Will Swink any money to vote for Britt or anybody else. He also declared that he had no knowledge of any money given to Swink for buying votes. Hill admitted that he "stood" for a lumber bill for Swink at local lumber company but said that he had nothing to do with the election.

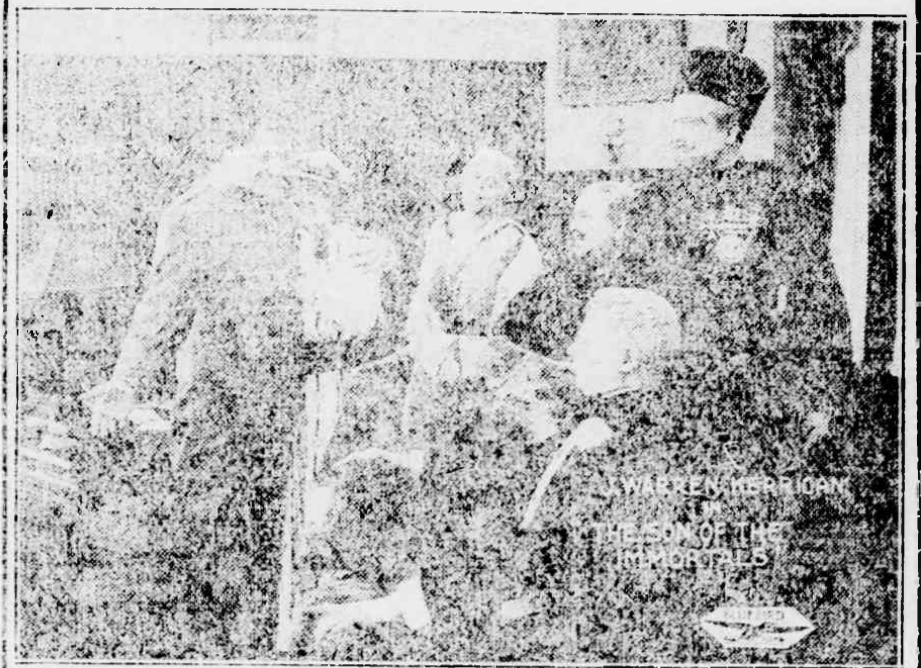

### Council of Liberty Meets.

High Point.—The State Council of North Carolina Sons and Daughters of Liberty, were in session for two days. Aside from the selecting meeting places for next year, the business transacted has been of a routine nature. There are some three hundred Sons and Daughters in attendance. Rocky Mount was chosen over Greensboro and Durham for the 1918 session. New officers for the coming year were elected with John F. Reynolds, state councillor.
